SYNOPSIS.....	ii -iv

P A R T I

"STUDIES ON Trypanosoma IN SOME LOWER VERTEBRATES"

1. INTRODUCTION	1 - 2
2. REVIEW OF LITERATURE	2 - 17
3. MATERIALS	18 - 24
4. METHODS	24 - 25
5. OBSERVATIONS	
i. <u>Trypanosoma clariae</u> Montel (1905)	26 - 30
ii. <u>Trypanosoma mukasai</u> Hoare (1932)	31 - 36
iii. <u>Trypanosoma</u> n.sp. (a)	37 - 40
iv. <u>Trypanosoma cancili</u> Mandal (1978)	41 - 45
v. <u>Trypanosoma gachuii</u> Misra, Chandra & Choudhury (1973) 46 - 50
vi. <u>Trypanosoma armeti</u> Mandal (1975)	51 - 55
vii. <u>Trypanosoma pancali</u> Mandal (1975)	56 - 59
viii. <u>Trypanosoma rotatorium</u> (Mayer, 1843) 60 - 69

ix. <u>Trypanosoma vittatae</u> Robertson (1908)	70 - 76
--	---------

6. APPENDIX

i. <u>Trypanosoma enhydris</u> Sinha & Mandal (1976) ...	76a
--	-----

ii. <u>Trypanosoma gangetica</u> Sinha (1978)	76b
---	-----

7. CHECK-LIST OF Trypanosoma OF SOME LOWER VERTEBRATES

IN INDIA.....	77 - 88
---------------	---------

P A R T IISTUDIES ON Haemogregarina IN SOME CHELONIANS AND OPHIDIANS "

1. INTRODUCTION	89 - 91
2. REVIEW OF LITERATURE.....	91 - 99
3. MATERIALS.....	100 - 102
4. METHODS.....	102 - 103
5. OBSERVATIONS.....	
i. <u>Haemogregarina laverani</u> Simond (1901).....	104 - 109
ii. <u>Haemogregarina</u> n.sp. (a)	110 - 116
iii. <u>Haemogregarina gangetica</u> (Misra, Nandi, Raut & Choudhury, 1974)	117 - 122
iv. <u>Haemogregarina</u> n.sp. (b) ..	123 - 131
v. <u>Haemogregarina</u> n.sp. (c) ..	132 - 137b
6. CHECK-LIST OF <u>Haemogregarina</u> IN SOME CHELONIANS AND OPHIDIANS IN INDIA.....	138 - 139

P A R T III

	PAGE
" STUDIES ON <u>Hepatozoon</u> IN SOME SNAKES"	
1. INTRODUCTION	140 - 141
2. REVIEW OF LITERATURE	142 - 143
3. MATERIALS	144 - 146
4. METHODS	146
5. OBSERVATIONS	
i. <u>Hepatozoon</u> n.sp. (a)...	147 - 155
ii. <u>Hepatozoon</u> n.sp. (b)...	156 - 162
iii. <u>Hepatozoon</u> n.sp. (c)...	163 - 170
6. CHECK-LIST OF <u>Hepatozoon</u> FOUND IN SNAKES OF INDIA	171

P A R T IV

"STUDIES ON SOME BLOOD PARASITES IN HIMALAYAN FLYING SQUIRRELS"	
1. INTRODUCTION	172
2. REVIEW OF LITERATURE	173-174
3. MATERIALS	174 -176
4. METHODS	176
5. OBSERVATIONS	
i. <u>Trypanosoma</u> (<u>Herpetosoma</u>) <u>indicum</u> Lühe (1906)	177 -182

	PAGE
ii. <u>Hepatozoon</u> n.sp. (d)	183 - 189
iii. <u>Anaplasma marginale</u> Theiler(1910)....	190 - 193
iv. <u>Anaplasma centrale</u> Theiler(1911).....	190 - 193
v. <u>Rickettsia</u> sp.	193 - 194
vi. Microfilariae from <u>Hylopetes alboniger</u>	195 - 196
vii. Microfilariae from <u>Petaurista magnificus</u>	197 - 198

6. CHECK-LIST OF Trypanosoma, Hepatozoon, Anaplasma, Rickettsia
AND MICROFILARIA OF SOME HIMALAYAN FLYING SQUIRRELS 199-201
