

## ACKNOWLEDGEMENT

The investigator expresses his deep sense of love and gratitude to Dr. J. Jhampati for suggesting the problem and for his invaluable help and encouragement in the day to day work as the supervisor of the research project.

The investigator is ever grateful to Dr. A.N. Pal, Officer-in-Charge of Jalpaiguri Govt. Engineering College, West Bengal, for his kind permission to carry on the research work at the Faculty of Electrical Engineering Department of Jalpaiguri Govt. Engineering College.

The investigator expresses his undeniable indebtedness to all the teachers and Library staff of Jalpaiguri Govt. Engineering College who extended their wholehearted assistance whenever needed.

The investigator is also indebted to his organisation, Jalpaiguri Govt. Polytechnic Institute and the Govt. of West Bengal for permitting to work at Jalpaiguri Govt. Engineering College.

Last but not the least, investigator is grateful to Dr. B.K. Gupta, Professor, Pharmaceutical Department, Jadavpur University. But for his blessings and advice at the moments of success and failure the present dissertation might not be possible.

The investigator is also grateful to INSOFT, Calcutta for their help and work in connection with printing and binding thesis in its present form.
