Professor

Supervisor's Certificate

This is to certify that Mr. Mayukh Sarker, M.Sc. has worked on a Ph.D. programme entitled "A Study On Certain Hydrolases and Oxidoreductases of Major Arthropod Pests of Tea from Darjeeling foothill and its Adjoining Plain" under my supervision and guidance and that he has fulfilled the requirements related to submission of Ph.D. thesis. The work was carried out since 2002 with a financial support of the National Tea Research Foundation. His research work embodies original findings based on a well-planned investigation. The dissertation submitted herewith is for the partial fulfillment of the degree of Doctor of Philosophy in Science (Zoology) of the University of North Bengal. The thesis material has not been submitted to any other University for any degree whatsoever by him or any one else.

I sincerely wish Mr. Sarker and his endeavour success.
