

ACKNOWLEDGMENTS

I am deeply indebted to my supervisor, **Dr. Girindra Narayan Roy**, Department of English, University of North Bengal, for his sincere and valuable guidance at every stage of this dissertation. I candidly confess that but for his proper guidance, the completion of this project would have been an utter impossibility.

I am also thankful to Momin Midda, Librarian, Jadavpur University, who provided me with some valuable materials towards the preparation of this thesis.

Finally, I owe my thanks to my wife and children for their understanding and support.
