ACKNOWLEDGEMENT

The candidate at the very first opportunity offers his heartfelt gratitude and sincerest thanks to Shri B. Bhattacharyya, M.A., Reader and Head, Department of Geography and Applied Geography, University of North Bengal, Darjeeling, under whose able guidance, constructive criticism and close attention the present work was carried out.

It is a pleasure to express my gratefulness to the heads of the various Government and private organisations and institutions, without whose help the present work would obviously have been impossible.

The candidate acknowledges his indebtedness to Miss Krishna Ghosh and Miss Mitra Ghosh, scholars of the Department of Geography and Applied Geography of North Bengal University, to Shri Swapan Kumar Saha, scholar of Chemistry Department of North Bengal University, for their sincere co-operation during this research work.

The candidate is grateful to Mr. Nirmal Chanda and to Mr. Jayanta Ghosh, the Artist and Typist of the Department of Geography and Applied Geography of University of North Bengal for

(11)

their co-operation during this research work.

The candidate is thankful to the authority of the University of North Bengal for providing the award of a Junior Research Fellowship of the University Grants Commission's (from 27th March, 1973 to 27th March, 1977) to carry out the present research work. Finally, the candidate is thankful to many other persons who helped him greatly during his field work in various towns of North Bengal.
