

Acknowledgement

First and foremost, I praise and thank LORD ALMIGHTY for being the unfailing source of support, comfort and strength throughout my entire study period.

I express my deep sense of gratitude to my guide Prof. Usha Chakraborty, Head Department of Botany, for her kind constant keen counsel, supervision and encouragement throughout the entire period of my research work.

I wish to express my sincerest thank to Prof. B. N. Chakraborty, Dean, Faculty of Science, NBU who has made valuable suggestions, constructive criticisms and directed attention to occasional error.

I am also grateful to Prof. A. P. Das for identification of plants and valuable suggestions.

I am particularly grateful to all of my teachers and non-teaching staff, Dept. of Botany for the kind encouragement I have received.

I am glad to record my thanks to my colleague scholars of the Dept. of Botany specially Arkapratim Chakraborty, Gargi Saha, Bhumika Pradhan, Deepti Pradhan, Rohini Lama, Pannalal Dey and also to wide circle of friends specially Amit Sarkar and Nakul Mandal for their continued interest.

Technical assistance for identification of plants given by the Director, Botanical Survey of India (BSI), Kolkata is gratefully acknowledged.

I record my special thanks to Mukul Kumar Chowdhuri (HM), Sovanagar High School, for providing necessary facilities.

No words can express my thanks, my gratitude and my feelings for my parents Dr. Anil Chandra Das and Purnima Das who not only taught me the basic moral values of life and made me what I am today but also instilled in me an aptitude for scientific research. I am grateful to my beloved sister and brother-in-law who have all along inspired me by taking a keen interest in my whole work.

And, finally, I wish to acknowledge Pushpita Das, my wife, the most intimate person in my life for her whole-hearted cooperation and ARKAJYOTI, my son for sacrificing his precious time to help me complete my thesis.
