

LIST OF TABLES

NAME OF THE TABLES	PAGE
Table-2.1 NSDP (Rs. Crore) and Per Capita NSDP During 1993-2004	37
Table 2.2: Trend Equations of Growth Rate of NSDP= a+bt	39
Table 2.3: Trend Equations of Growth Rate of Per capita NSDP= a+bt	40
Table 2.4: Results on Trend Equations [NSDP=a +bt]	40
Table 2.5: Results on Trend Equations [Per Capita NSDP=a +bt]	40
Table 2.6: Annual Compound Growth Rate of Per Capita GSDP at 1980-81 price level	41
Table2 7- Production ('000tonnes) & Productivity (kg/ha) of Foodgrain during 1985-2000	46
Table 2.8: Production of Fruits and Vegetable ('000 MT) in NE States	46
Table 2.9: Agricultural Outlay during different planning period	47
Table 2.10(a): Trend of Credit and Deposit (1994-2005) [Rs.Crore]	53
Table 2.10(b): Credit-Deposit ratio of India and North-Eastern States	53
Table 2.11: Results of the Regression Equation Credit = a + b(Deposit)	54
Table 2.12: Results of One Sample T- Test	55
Table 2.13: Planed Outlay on Infrastructural Development	56
Table 2.14: Sectoral Distribution in the Post-Reform period	58
Table 2.15: Results on the simple linear trend of Agriculture (A), Manufacturing (M), Secondary (S) and Tertiary (T) sectors	61
Table 2.16: Annual Growth rate of Sectoral Income Shares	62
Table 2.17: Results on the Regression analysis within the Sectors (A- agriculture, S- secondary, M- manufacturing, T-tertiary)	63
Table 2.18: Share of Primary Secondary and Tertiary sectors in total State Domestic product	69
Table 2.19: Unit root tests without trend	69
Table 2.20: Unit root test with time trend	70
Table 2.21: Cointegration Tests	70
Table 2.22: Granger Causality test between Primary and Secondary sector	70
Table 2.23: Granger Causality Test between Secondary and Tertiary sector	70

Table 2.17: Results on the Regression analysis within the Sectors (A- agriculture, S- secondary, M- manufacturing, T-tertiary)	63
Table 2.18: Share of Primary, Secondary and Tertiary sectors in total State Domestic product	69
Table 2.19: Unit root tests without trend	69
Table 2.20: Unit root test with time trend	70
Table 2.21: Cointegration Tests	70
Table 2.22: Granger Causality test between Primary and Secondary sector	70
Table 2.23: Granger Causality Test between Secondary and Tertiary sector	70

Table 2.24: Share of Primary, Secondary and Tertiary sectors in total State Domestic product	71
Table 2.25: Unit root tests without trend	71
Table 2.26: Unit root test with time trend	72
Table 2.27: Cointegration Tests	72
Table 2.28: Granger Causality test between Primary and Secondary sector	72
Table 2.29: Granger Causality test between Secondary and Tertiary sector	72
Table 2.30: Share of Primary, Secondary and Tertiary sectors in total State Domestic product	73
Table 2.31: Unit root tests without trend	73
Table 2.32: Unit root test with time trend	74
Table 2.33: Cointegration Tests	74
Table 2.34: Granger Causality test between Agriculture and Industry	74
Table 2.35: Granger Causality Test between Industry and Service sector	74
Table 2.36: Share of Primary, Secondary and Tertiary sectors in total State Domestic product	75
Table 2.37: Unit root tests without trend	75
Table 2.38: Unit root test with time trend	76
Table 2.39: Cointegration Tests	76
Table 2.40: Granger Causality test between Agriculture and Industry	76
Table 2.41: Granger Causality Test between Industry and Service sector	76
Table 2.42: Share of Primary, Secondary and Tertiary sectors in total State Domestic product	77
Table 2.43: Unit root tests without trend	77
Table 2.44: Unit root test with time trend	78
Table 2.45: Cointegration Tests	78
Table 2.46: Granger Causality test between Agriculture and Industry	78
Table 2.47: Granger Causality Test between Industry and Service sector	78
Table 2.48: Directions of Causality	79
Table 3.1: Worker Population Ratio and Employment Elasticity	83
Table 3.2: Compound Annual Growth (CAG) of Main Workers and NSDP (Current Price)	84

Table 3.3: Correlation Coefficient between the Growth of NSDP and Employment	84
Table 3.4: Sectoral Income and Employment Share (%) 1981, 1991	86
Table 3.5: Cumulative (Sectoral) Income and Employment Shares 1981, 1991	87
Table 3.6: Gini coefficients on Sectoral income distribution	89
Table 3.7 - Correlation Coefficient between Gini coefficient & Primary sector employment share	89
Table 3.8: Per 1000 distribution of the workers on principal status in Rural (R) and Urban (U) area under Agriculture (A), Manufacturing (M), Construction (C), Trade hotel & restaurant (THR), Transport, storage & communication (TSC) and Other Service (OS) sectors	91
Table 3.9: Percentage of Workers in Non-agricultural and Tertiary Activities	93
Table 3.10: Regression Results between Share of Urban Population and Share of Urban Workers in Service sector	96
Table 3.11: Percentage Growth of Different Subsectors and Corresponding Employment Over 1993-2000	97
Table 3.12: Employment Elasticity over 1993-2000	99
Table 3.13: Growth Rate of Labour Productivity During 1993-2000	99
Table 4.1- Fiscal Deficit as a percentage of GSDP	103
Table 4.2- Outstanding Debt as a percentage of GSDP (1993-2003)	104
Table 4.3: Results on the Trend of Debt-GSDP Ratio	105
Table 4.4- Buoyancy of Own Tax Revenue (1 st figure) & Own Tax/Total Tax Ratio (2 nd figure)	106
Table 4.5: Results on Trend of Own Tax Revenue Buoyancy	107
Table 4.6: Regression Results between Growth rate of Own Tax Revenue and NSDP	108
Table 4.7: State wise Aggregate Expenditure (Rs Crore) During 1994-2002	108
Table 4.8: Results on the Trend of Aggregate Expenditure	109

Table 4.9: NSDP/Aggregate Expenditure ratio during 1994-2002	110
Table 4.10: Pearson Correlation coefficient between NSDP & Aggregate Expenditure growth rates	110
Table 4.11- Finance Commission Recommendations on Tax Transfer (Rs. Crore)	112
Table 4.12: Results on the Trend Equations of Union Tax Transfer	113
Table 4.13: Recommendations for Calamity Relief Fund	115
Table 4.14: Own Revenue, Other Revenue & Expenditure on Core Services of Local Bodies 1990-98 (Rs. in Crore)	117
Table 4.15: Provision for Local Bodies -1995-2010 (Rs in Crore)	118
Table 4.16: Recommendations on Up gradation Grants Under Successive Finance Commission (FC) Reports [Rs. in Crore]	120
Table 4.17: Recommendations on Grants-in-Aids during 1990-2010 (Rs. Crore)	122
Table 4.18: Year wise Actual Grants (1994- 2003) Rs. Crore	122
Table 4.19: Results on the Trend Equations of Year-wise Grants during 1994-2003	123
Table 4.20: Per capita Transfer During 1990-95 and 2000-05	124
Table 4.21: Index Value of Per Capita Transfer of Central Resource	124
Table 4.22: State wise (Grants + Tax transfer)/NSDP Ratio	126
Table 4.23: Ratio of Total Transfer to SDP (Meghalaya) and (Union Tax Transfer + Grants) to SDP (Sikkim)	127
Table 5.1: Per capita GSDP and its Index for North Eastern States	132
Table 5.2: MPCE Distribution in Rural Area (1993-94)	133
Table 5.3: MPCE Distribution in Urban Area (1993-94)	133
Table 5.4: MPCE Distribution in Rural Area (2004-05)	134
Table 5.5: MPCE Distribution in Urban Area (2004-05)	134
Table 5.6: Coefficient of Variation (CV) on MPCE Class Distribution	134
Table 5.7: State wise Human Development Index: 1981 & 1991	136
Table 5.8: Index of Economic and Social Infrastructure	138
Table 5.9: State wise Values of Selected Indicators (1991)	140
Table 5.10: State wise Values of Selected Indicators (2001)	140

Table 5.11: Eigen Values and Explained Percentage Variance	143
Table 5.12: Component matrix (Rotated) 1991 and 2001	145
Table 5.13: Composite Scores 1991 and 2001	146
Appendix Table 1: Growth Rate of Urban Population	172
Appendix Table 2: Names and Living Places of Major Tribes in Northeastern States	172

LIST OF FIGURES

NAME OF THE FIGURES	PAGE
Figure 4.1: Trend Line of Debt-GSDP Ratio	125
Figure 4.2 :Lie Diagram showing Ratio of Total Transfer to SDP(Meghalaya) and (Union Tax Transfer+ Grants) to SDP (Sikkim)	128
Figure 4.3: Bar Diagram showing Per Capita income and Per Capita Allocation	129
Figure 5.1: "Scree plot" for 1991	144
Figure 5.2: "Scree Plot" for 2001	144
