

Publications

List of Papers Published

1. **Effects of Concentration, Relative Permittivity, and Temperature on the Solution Behavior of Sodium Carboxymethylcellulose As Probed by Electrical Conductivity**, P. Nandi and B. Das, *J. Phys. Chem. B*, **109**, 3238 (2005).
2. **The Effects of Concentration, Relative Permittivity and Temperature on the Transport Properties of Sodium Polystyrenesulphonate in Methanol-Water Mixed Solvent Media**, A. Bhattarai, P. Nandi and B. Das, *J. Polym. Res.*, **13**, 475 (2006).
3. **Intrinsic Viscosities of Sodium Carboxymethylcellulose in Acetonitrile–Water Mixed Solvent Media Using Isoionic Dilution Method**, P. Nandi, A. Bhattarai and B. Das, *J. Polym. Sci. Part B: Polym. Phys.*, **45**, 1765 (2007).
