

## Preface

*At the very outset I would like to thank Dr. Rathin Bandopadhyay, Reader and Head, Department of Law, North Bengal University, my Supervisor for this work, without whose constant support, zeal and enthusiasm this work would ever be complete. It was more than a pleasure to work under the able supervision of a multi faceted personality like him. In fact words fall short to express my gratitude towards him; all that can be said is, he was the perfect guide every scholar would yearn for.*

*I would also take this opportunity to thank Prof. Gangotri Chakraborty and Prof. (Dr.). Bishnu Prasad Dwivedi of Department of Law to have given their valuable advice at the outset of this work. Thanks are also due to Dr. Ali Mehdi and Dr. Atul Kumar Tiwari, faculty members, Department of Law, North Bengal University who have also enriched me with their suggestions. Thanks are also due to each and every teacher, Office Staff and Library Staff of the Department of Law, North Bengal University. I would like to particularly thank Mrs. Sati Dey and Mr. Amal Dhar who have gone out of the way to help me.*

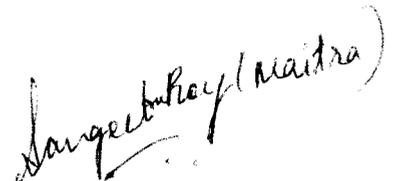

*This work took me to some of the best Libraries in the country. Hence heartiest thanks are due to each and every Library Staff of The Indian Law Institute, New Delhi; National University of Juridical Sciences, Salt Lake, Kolkata; British Council, Kolkata; U.S. Educational Foundation in India (USEFI), Kolkata; Jadavpur University, Kolkata; Calcutta University, Kolkata amongst others.*

*This work would never be complete without the encouragement of my colleagues at Jogesh Chandra Chaudhury law College, Kolkata. I would like to particularly thank Mrs. Swati Sinha (Srivastava) for her constant support and encouragement. Thanks are also due to the Office and Library Staff of the College who have helped me immensely.*

*The little knowledge I Have today is all because of my mother, Mrs. Shikha Roy. It was she who has always stood beside me like a strong pillar of support in all the oddities I have faced in the completion of this work. Another source of encouragement has been my elder sister Mrs. Joyeeta Ghosh, who has helped and inspired me a lot in giving this work its shape. My son Anubhav would always switch on the computer for me so that I could type the manuscript. This little bundle of energy is where I got my inner mettle to complete this work. Words fall short to thank my brother-in-law Mr. Pradip Kumar Ghosh who helped to complete the opinion survey. I would also thank my husband Mr. Ashim Maitra to help me finish this work. Thanks also due Mr. Supriyo Routh for his constant support and encouragement.*

*Last but not the least I would like express my sincere thanks to all the NGOs and my specially abled friends without whom the work would never ever be complete.*

*Dated: 27.10.2008.*
