

# Acknowledgement

---

*My collective work of research including different forms of experiences and ideas will remain incomplete without offering gratitude to those people who helped me during this venture. Since words are inadequate for expressing such feelings, I make no effort.*

*First of all I would like to express deep sense of gratitude to Professor Jayanta Kumar Ray, Indian Institute of Technology, Kharagpur and Dr. Ashis Kumar Nanda, University of North Bengal for their valuable guidance, overwhelming enthusiasm and constant inspiration throughout the course of this work. It has been my privilege to be a part of their enthusiastic research group. I consider myself fortunate enough to be associated with the persons whose vast scientific knowledge, personal care and spirit has resulted in this present endeavor.*

*To all my friends and colleagues of Kharagpur College, specially Dr. T. Dutta Roy, Prasanna-da and Rabi-da for their cooperation - Thanks a lot.*

*I thank Mr. Pranab Bhattecharjee, Mukulikadi and Arupda for providing the  $^1\text{H}$  and  $^{13}\text{C}$  NMR spectras and Mr. Narugopal Kuily and Dr. Snehadri Narayan Khatuya for Crystallographic data.*

*I would also like to thank all the Faculty members and staffs of Chemistry Department for their help during this course of study.*

*I take this opportunity to thank Dr. G. K. Kar for his kind help and advice during this work.*

*My sincere thanks go to my ex-labmates Dr. Mahuya Roy, Dr. Sajal. K. Mal, Dr. Sulagna Brahma, Dr. Pranab Haldar, Dr. Bishnupada Dutta, Devalina, Surojit, Nilanjan and Sayantan.*

*I reserve special thanks to my laboratory colleagues Nasima, Rathin, Sunanda, Subhankar and Sukla for their cooperation and maintaining a friendly atmosphere surrounding me.*

*I wish to thank all my friends, specially Arjun, Pranabes and all well wishers who have always extended their helping hands when needed.*

*I also acknowledge those teachers whose collective efforts have helped me to reach this point for providing me the foundation in chemistry during my days in school and college.*

*I enunciate my sincere regards and gratitude to Mrs. R. Ray for her support and affection.*

*It is impossible to express my feelings in words to thank my parents and my son for their loving support and cooperation in all aspects. The blessing, affection and care of my parents have been the constant source of my inspiration throughout the entire period of my academic career.*

*Above all I thank the Almighty whose blessings helped me tide through difficult circumstances.*

*In this regard, I acknowledge IIT-Kharagpur and CSIR (New Delhi) for financial support during the course of this study.*
