

Acknowledgement

It is a great pleasure to express my sincere gratitude and indebtedness to Dr. Sanjib Kumar Datta, Former Assistant Professor, Department of Mathematics, University of North Bengal and presently Assistant Professor, Department of Mathematics, University of Kalyani under whose supervision the entire thesis has been carried out. I owe a lot to him for offering me valuable suggestions for corrections and improvement of the thesis and above all for sufficiently sharing his valuable time with me from his busy schedule .

I would like to thank to my mother Mrs. Rukmini Mondal, wife Mrs. Purabi Mondal and brother Mr. Sanjoy Mondal for giving me momentous encouragement and inspiration for lack of which this thesis can not be executed neatly .

I also wish to thank all the faculty members of the Department of Mathematics, University of North Bengal as well as those of Department of Mathematics, University of Kalyani for their mental support . Also I am thankful to the infrastructural support of the Department of Mathematics, University of North Bengal as well as those of Department of Mathematics, University of Kalyani to commence my research work. I am also grateful to my fellow research scholars especially Dr. Tanmay Biswas and Dr. Arup Ratan Das and to my friend Uzzal Afsan, Assistant Professor of Mathematics, Sreepath Singh College, Jiaganj, Murshidabad for their hearty co-operation in different ways.

I am also thankful to my esteemed teachers Mr. Khalaque Mollah, Mr. Tanjil Haque and Mr. Jayanta Chakraborty to motivate in carrying out my research work. Further I express my heartiest thanks to the teachers of Chak Islampur S.C.M. High School especially Mr. Tapas Das, Mr. Swapan Chakraborty and Mr. Soumen Bhattacharya for giving me mental support to pursue my research work.

I am grateful to my respected teachers of the Department of Mathematics, Visva Bharati especially Prof. Jayanta Bhattacharya, Prof. Santobrata Chakraborty, Prof. Puspajit Mondal, Prof. Swapan Raha, Dr. Anjan Bhauya

and Dr. Dibendu Banerjee for their constant encouragement to prosecute my studies in completing the work .

I must also thank to the authors of various papers and books which have been consulted during the preparation of the thesis. I will remain ever grateful to those who helped me in giving my research work a good finish. The author is also responsible for any possible errors and shortcomings, whatever it may be in the thesis despite the best attempt to make it immaculate .

In fine I dedicate the thesis to my Supervisor Dr. Sanjib Kumar Datta.
