

## *Acknowledgement*

I would take this opportunity to place on record my appreciation of the support and encouragement rendered to me by my supervisor **Dr. Bhaskar Chakraborty**, Reader in Chemistry, Sikkim Government College Gangtok. Throughout the research work, I have received expert criticism, valuable comment and above all his best loving care. I would also like to express my personal appreciation of the valuable assistance given by **Prof. B. Basu, Dr. A.K Nanda, Dr. Pranab Ghosh** and the Department of Chemistry, University of North Bengal for their constructive ideas. I would also take this opportunity to thank Professor **B.C Ranu and Professor A. Dey** of Indian Association for the Cultivation of Science, Jadavpur for their valuable suggestion relating to the research work. Thanks are also due to **Dr. M.P Kharel**, Principal, Sikkim Government College for his enthusiastic support, constant co-operation and for providing research facilities. Heartfelt gratitude and appreciation goes towards **Shri Manjit Singh Chhetri**, Lecturer, Department of Chemistry, SIEM, Siliguri without his co-operation, this work would not have been possible. I am equally grateful to **Scientist in-charge, SAIF, CDRI, Lucknow** for providing IR, NMR, MS Spectral data. I am deeply indebted towards **Deptt of Chemistry, University of North Bengal** for providing NMR spectras of some of the vital compounds related to this work. I am equally thankful to **Dr. A. Samanta** of Jadavpur University for helping me in finding out the biological aspects of my entire work. The unconditional support and constant encouragement rendered by **Mrs M. Chakraborty** is also deeply appreciated and acknowledged. Thanks are also due to **Mr. Arun Kumar Rai**, staff member of Chemistry department, Sikkim Government College for his valuable co-operation. Finally I would like to express his deep gratitude towards my

parents. Their affection ever encouraged me for the entire work. Lastly, all the people who rendered valuable help and support in bringing this research work to completion are sincerely acknowledged.
