

LIST OF TABLES

Table 2.2.1:	Demographic and Economic Features in the Developing Regions of the World.	35
Table 2.2.3:	Level of Urbanisation (LOU) and Proportion of Slum & Non-Slum Population to the total Urban Population in developing Regions.	39
Table 2.4.1:	Access to Safe Drinking Water and Sanitation of Urban Population in developing Regions.	41
Table 2.5.1:	Urban & Slum Population (in millions) in South Asian Countries.	44
Table 2.5.2:	HDI and Economic Indicators in South Asian countries	45
Table 2.5.3:	Percentage of Population below National Poverty Line in South Asian Countries.	46
Table 2.5.4:	Percentage Share of Population to total Urban, Slum & Non-Slum Population in South Asian Countries.	47
Table 2.5.5:	LOU and Percentage of Slum & Non-Slum Population in South Asian Countries.	48
Table 2.6.1:	Shelter Deprivation of Slum households in South Asian Countries.	50
Table 2.6.2:	Enrolment in Primary Education in Urban, Slum & Non-Slum by all types of Shelter Deprivation in South Asian Countries.	51
Table 2.6.3:	Percentage of Malnourished Children (under 5) in Urban, Slum & Non-Slum Population in South Asia by Shelter Deprivation at different points of time.	52
Table 2.6.4:	Types of Energy used for Cooking in Urban, Slum & Non-Slum Households by Shelter Deprivation in South Asian Countries.	54
Table 2.7.1:	Relative Change in Slum Population of the Developing Regions.	55
Table 2.7.2:	Relative Change of Slum Population in South Asian Countries..	57
Table 3.3.1:	Per Capita Income & deprivation by HDI in the Districts of North Bengal	63
Table 3.4.1:	Urban Population and Density per sq.km in the Districts of North Bengal	65
Table 3.4.2:	Level of Urbanization in the Districts of North Bengal	66
Table 3.4.3:	Annual Growth Rate of Urban Population in the Districts of North Bengal	67
Table 3.4.4:	Share of Urban Population to the total Urban Population in North Bengal	67
Table 3.5.1:	Total Urban Migrants in the Districts of North Bengal	69
Table 3.5.2:	Share of urban migrants to the total urban migrants of North Bengal	69
Table 3.5.3:	Proportion of urban migrants to total Migrants and total urban population in the Districts of North Bengal	70
Table 3.5.4:	Annual Growth Rate of Rural and Urban Migrants in the Districts of North Bengal	71
Table 3.5.5:	Streams of Migration by Place of Last Residence	73
Table 3.6.1:	Urban Sex Ratio and Literacy Rate (Excluding 0-6 Years of Age) in the Districts of North Bengal	74
Table 3.6.2:	Urban Work Participation Rate in the Districts of North Bengal,	77
Table 3.7.1:	Access to Safe Drinking Water, Electricity and Sanitation in the Districts of North Bengal	78
Table 3.8.1:	Proportion of Slum & Non-Slum Population in the Districts of North Bengal	80

Table 3.8.2:	Literacy Rate of Slum & Non-Slum Population (Excluding 0-6 Age) in the Districts of North Bengal, 2001.	81
Table 3.8.3:	Work Participation Rate (WPR) Slum & Non-Slum Population, 2001	82
Table 3.8.4 (a):	Distribution of Slum & Non-Slum Workers in Different Categories of Activities in the Districts of North Bengal	84
Table 3.8.4(b):	Percentage of Other Workers in the Slum & Non-Slum Population in the Districts of North Bengal	85
Table 4.3.1:	Urban Population and its share to the Total Population in the District	92
Table 4.3.2:	Density, Urban Concentration and Annual Growth Rate of Population in Municipalities of Darjeeling District	93
Table 4.4.1:	Total Population/ Migrants and Annual Growth Rate to UAs / Cities in North Bengal by Place of Last Residence	95
Table 4.4.2:	Percentage Distribution of Migrants (Place of Last Residence) by reasons to UAs/Cities of North Bengal by Reasons	98
Table 4.5.1:	Literacy Rate and Sex Ratio in the Municipal Towns of Darjeeling District	98
Table 4.6.1:	Work Participation Rate (WPR) in the Municipal Towns of Darjeeling District	99
Table 4.8.2:	Distribution of Main and Marginal Workers in various Categories to the total Workers in the Municipal Towns of Darjeeling District.	107
Table 4.9.2:	Per capita Expenditure under UPA & Slum Improvement in SMC	110
Table 5.2.1:	Population, Duration Residence, Family Size, and Sex Ratio in the Inner City	114
Table 5.2.4:	Distribution of Squatters by Age group and Dependency Ratio in the Inner City	115
Table 5.3.1:	Migration by Generation & Reasons behind Migration in the Inner City	119
Table 5.3.2:	Streams of Migration among the Squatters in the Inner City	121
Table 5.3.3:	Push and Pull Factors of Migration among the Households in the Inner City	122
Table 5.4.1:	Literacy Rate (Excluding 0-6 Age) of the Squatters in the Inner City	124
Table 5.4.2:	Level of Education (Excluding 0-6 Age) of the Squatters in the Inner City	125
Table 5.5.1:	Land Characteristics of the Squatter Households in the Inner City	127
Table 5.5.2:	Housing Characteristics of the of the Squatter Households in the Inner City	128
Table 5.5.3:	Shelter Deprivation of the Households in the Inner City	130
Table 5.5.4:	Approach Road, Solid Waste Disposal, Drainage and Electricity Facility in the Inner City	131
Table 5.5.5:	Sanitation, Sources of Drinking Water and Fuel Sources of the Squatter Households in the Inner City	132
Table 5.5.6:	Utilisation of Public Health Services of the Squatter Households in the Inner City	134
Table 5.5.7:	Value of the Physical Assets of the Squatter Households in the Inner City	136
Table 5.6.1:	Earning Status of the Households in the Inner City	137
Table 5.6.2:	Employment and Work Participation Rate (WPR) of the Squatters in the Inner City	137
Table 5.6.3:	Employment in Formal and Informal Sectors of the Squatters in the Inner City	138

Table 5.6.4:	Distribution of Employment by Activity Status among the Squatters in the Inner City	141
Table 5.6.5:	Level of Education in Employment by Activity Status among the Squatters in the Inner City	142
Table 5.6.6:	Level and Sources of Acquiring Skill of the Workers in the Inner City	143
Table 5.7.2:	Descriptive Analysis of Expenditure on Food and Non-Food items of the Squatter Households	150
Table 5.8.2:	Estimation of Marginal Propensities to Consume (MPC) on Food and Non-Food Items in the Inner City	156
Table 5.8.3:	Estimation of Expenditure Elasticity on Food and Non-Food Items in the Inner City Squatter Settlements	160
Table 5.9.1:	Sources and Purpose of Indebtedness of the Squatter Households	164
Table 5.10.1:	Score Assigned for the selected variables to an Ordinal Preference.	170
Table 5.10.2:	Distribution of Quality of Life Index among the Squatter Households in the Inner City	172
Table 6.2.1:	Population, Duration of Residence/Migration, Family Size and Sex Ratio in the Peripheral City	179
Table 6.2.2:	Social Caste, Religion, Mother Language and Marital Status of the Squatters in the Peripheral City	181
Table 6.2.3:	Distribution of Squatters by Age groups and Dependency Ratio in the Peripheral City	181
Table 6.3.1:	Migration by Generation & Reasons in the Peripheral City	183
Table 6.3.2:	Streams of Migration of the Squatters in the Peripheral City	185
Table 6.3.3:	Push and Pull Factors of Migration of Households in the Peripheral City	186
Table 6.4.1:	Literacy Rate (Excluding 0-6 Age) of the Squatters in the Peripheral City	188
Table 6.4.2:	Level of Education (Excluding 0-6 Age) of the Squatters in the Peripheral City	189
Table 6.5.1:	Land Characteristics of the Squatter Households in the Peripheral City	190
Table 6.5.2:	Housing Characteristics of the Squatter Households in the Peripheral City	191
Table 6.5.3:	Shelter Deprivation of the Squatter Households in the Peripheral City	193
Table 6.5.4:	Infrastructural facilities like Road, Waste Disposal, Drainage and Electricity of the Squatter Households in the Peripheral City	194
Table 6.5.5:	Sanitation, Drinking Water and Fuel Source of the Households in the Peripheral City	195
Table 6.5.6:	Utilisation of Public Health Services of the Households in the Peripheral City	196
Table 6.5.7:	Value of the Physical Assets (Survey Period) of the Squatter Households in the Peripheral City	198
Table 6.6.1:	Earning Status of the Households in the peripheral city	199
Table 6.6.2:	Work Participation Rate (WPR) among the Squatters in the Peripheral City	199
Table 6.6.3:	Employment in Formal and Informal Sector in the Peripheral City	200
Table 6.6.4:	Employment by Activity Status of the Squatters in the Peripheral City	201

Table 6.6.5:	Education in Employment of the Squatters by Activity Status in the Peripheral City	203
Table 6.6.6:	Level and Sources of Skill Acquisition Skill of the Workers in the Peripheral City	204
Table 6.7.5:	Descriptive Analysis of Expenditure on Food and Non-Food items in the Peripheral City	210
Table 6.8.1:	Estimation of Marginal Propensities to Consume on Food and Non-Food Items in the Peripheral City	213
Table 6.8.2:	Estimation of Expenditure Elasticity on Food and Non-Food Items in the Peripheral City	216
Table 6.9.1:	Indebtedness of the Squatter Households in the Peripheral City	218
Table 6.10.1:	Distribution of Quality of Life Index among the Squatter Households in the Peripheral City	219
Table 8.2.1:	Sources of Information for Squatter Households in the Inner City to migrate in the City	264
Table 8.3.1:	Sources of Information for Squatter Households in the Inner City in Searching for Housing	265
Table 8.4.1:	Sources of Information in accessing Employment of the Squatters in the Inner City	267
Table 8.4.2:	Descriptive Statistics of the determinants in Multinomial Logit Model	270
Table 8.4.3:	Results on Employment/Occupational Choice Function (MLE):	273
Table 8.5.1:	Sources of Help in Access to Loan/Credit of the Squatter Households in the Inner City	274
Table 8.6.1:	Social Capital Formation of the Squatter Households through Community Participation in the Inner City	276
Table 8.7.1:	Sources of Information for Squatter Households in the Peripheral City to Migrate in the City	277
Table 8.8.1:	Sources of Information for Squatter Households in the Peripheral City in Searching for Housing	277
Table 8.9.1:	Sources of Information in Access to Employment of the Squatters in the Peripheral City	278
Table 8.9.2:	Descriptive Statistics of the determinants used in Multinomial Logit Model	279
Table 8.9.3:	Results on Occupational Choice Function in the Peripheral City	281
Table 8.10.1:	Social Networking in access to Loans/Credit of the Squatter Households in the Peripheral City	282
Table 8.11.1:	Formation of Social Capital through Community Participation of the Squatter Households in the Peripheral City	283
