

Table Index

Table	Title of Table	Page No
Table 4.2.11	Substituted groups in the synthesized compounds	94
Table 5.1	Result of Limit Dose Test of Pyrazolone Derivatives (PYZ1-10)	152
Table 5.2	Effect of pyrazolone derivatives on marker enzymes in ISO induced myocardial injury in rat model	153
Table 5.3	Effect of pyrazolone derivatives on lipids profile in ISO induced myocardial injury in rat model	154
Table 5.4	Effect of pyrazolone derivatives on endogeneous antioxidant enzymes in ISO induced myocardial injury in rat model	155
Table 5.5	<i>In vitro</i> antioxidant activity of pyrazolone derivatives by MDA and 4-HNE model	171
Table 5.6	Anti inflammatory activity of pyrazolone compounds on carrageenan-induced paw edema in rat	174
Table 5.7	Analgesic activities of pyrazolone derivatives in rat by tail flick method	176
Table 5.8	Effect of pyrazolone derivatives on yeast induced pyrexia in rabbits	178
