

## Acknowledgement

I express my deepest gratitude and indebtedness to my thesis Supervisor Dr. Subir Sarkar, Professor, Department of Geography and Applied Geography, North Bengal University. I'm particularly indebted to Prof. Sarkar, who has taken keen interest in and offered valuable suggestions on even the minutest details of my research right from the inception of the problem to the final preparation of the manuscript. His deep understanding of the relevant topics as well as excellent grasp over the problems has seen me through some of the toughest and most challenging moments of doctoral research.

It is needless to state that doing this research and writing this thesis has only been possible through the support of lots of different people. It is nearly impossible to thank everybody separately here without forgetting to mention anybody.

I express my gratitude to the D.S.T., Govt. of India, N.R.D.M.S. Division for sponsoring the project on *Demonstration of Block Level GIS and Capacity Building for Development Planning in Jalpaiguri District* as Project Fellow and I.C.A.R., Govt. of India, sponsoring World Bank funded NAIP project on *Sustainable Rural Livelihood Empowerment Project for Northern Disadvantaged districts of West Bengal* as Senior Research Fellow where I got the opportunity to carry out the present thesis. I express my sincere thanks to the District Magistrate, Officer in-Charge and Staffs, N.R.D.M.S. Centre, Jalpaiguri for having assisted me during the field work and research in the area of study for this thesis.

Also special mention should be made about the field and laboratory support provided by my fellow Research Scholars, Faculty members, Students and supporting staffs of the Department of Geography and Applied Geography, North Bengal University in completing thesis.

I am thankful to my husband Mr. Gopal Pramanik for his constant encouragement, critical guidance and mental support for completing my thesis.

Finally, I am deeply indebted to my parents who have always blessed me with endless love and affection, my younger sister and brother, for always standing by me and supporting me in every respect, at this endeavour.
