

## LIST OF TABLES

Page Number

### CHAPTER I

1. Table 1.01 : Specimen of ANOVA Table 41

### CHAPTER II

1. Table 2.01 : Percentage of Female Population and Sex Ratio 46
2. Table 2.02 : Region-wise average sex ratio of Assam 47
3. Table 2.03 : Age specific sex ratio in Assam 48
4. Table 2.04 : Age composition of population in Assam and India. (in percent) 50
5. Table 2.05 : Region wise average age composition of population in Assam. (in percent) 51
6. Table 2.06 : Sex disparity in age composition in Assam. (in percent) 53
7. Table 2.07 : Region wise distribution of percentage (Average) Population in Assam in the age group 0-6. 56
8. Table 2.08 : Birth rate, Death rate, Natural growth rate and Infant Mortality Rate in India and Assam. (Per Mille) 58
9. Table 2.09 : Sex specific Mortality rate in Assam and India. (Per Mille) 60
10. Table 2.10 : Life Expectancy at Birth in India and Assam. 63
11. Table 2.11 : Projected levels expectation of life at Birth in India and Assam. 64
12. Table 2.12 : Sex wise marital status in Assam. (as percentage of total) 68
13. Table 2.13 : Mean age of Marriage in Assam. 69
14. Table 2.14 : Maternal Mortality Rate. (Per 100,000 live birth) 70
15. Table 2.15 : Causes of Maternal rate from 2001-03. (in percent) 71

16. Table 2.16	: Literacy Rate of Assam and India by Sex. (in percent)	72
17. Table 2.17	: Region wise literacy rate in Assam.	73
18. Table 2.18	: Sex-wise rural and urban female literacy rates in various regions of Assam. (in percent)	76
19. Table 2.19	: Gross Enrollment Ratio in Schools for general Education in Assam and India.	77
20. Table 2.20	: School Dropout Rate by Class Range (in percent)	80
21. Table 2.21	: Reasons for Dropping Out of School. (Percent Distribution of Household Population aged less than 18 years who dropped out of school by main reasons, Assam, 2007-08).	82
22. Table 2.22	: Percentage of people without safe drinking water, without access to health care, sanitary facility, pacca houses and underweight children at birth in Assam.	86
23. Table 2.23	: Persons in Labour Force : Assam and India (in percent)	87
24. Table 2.24	: Region wise labour force participation rate of males and females in Assam	89
25. Table 2.25	: Selected indicators of physical well-being in Assam.	91

### **CHAPTER III**

1. Table 3.01:	Male-Female work participation rate in India, Assam and Barpeta District (in percent)	94
2. Table 3.02:	Male-Female work participation (in percent) in rural and urban areas of India, Assam and Barpeta District	95
3. Table 3.03:	Age-Specific Usual Status (Ps+Ss) Female Worker Population Ratio in India & Assam by Area of Residence (per cent)	97
4. Table 3.04:	Education Specific Usual Status of Rural and Urban Female Employment in Assam (age 15 years and above) (in percent)	100

5. Table 3.05: Region wise work participation rate of main, marginal and non-workers in Assam (in percent)	101
6. Table 3.06: Age group wise labour by sex in Assam (Percentage to total main and marginal workers)	103
7. Table 3.07: Distribution of male/female main workers in Primary, secondary and tertiary sectors in Assam and India (in percent)	105
8. Table 3.08: Distribution of female main workers by industrial categories (in percent)	109
9. Table 3.09: Share of women employment out of total employment in organized sector in Assam (Percent of women)	112
10. Table 3.10: Number of Employment in Establishments	113
11. Table 3.11: Percentage of Persons Usually Working in Establishment with At least One Hired Worker by Major Activity in Assam	114
12. Table 3.12: Employment position of women as per employment exchange in Assam	116
13. Table 3.13: Number of persons employed per 1000 persons according to usual status in Assam.	117
14. Table 3.14: Per 1000 distribution of Usually Working Persons in the Principal Status and Subsidiary Status taken together by Broad Industry Division (NIC 1998)	118
15. Table 3.15: Unemployment Rates (in percent) for Assam and India	119
16. Table 3.16: Age Specific Usual Worker (Principal & Subsidiary status taken together) for Assam and India	120
17. Table 3.17: Mode of Employment of Usual Status Female Workers in Assam & India (percent)	122
18. Table 3.18: Distribution of Educated Job-Seekers	124
19. Table 3.19: Distribution of Educated Job Seekers as per the Live Register of Employment Exchange	125

20. Table 3.20: Job Seekers Registered With Employment Exchanges in India (by sex)	125
21. Table 3.21: Distribution of Assam Government Employees according to sex as per Employees census, 1999 & 2004	126
22. Table 3.22: Average Daily Wage Rate in Rural Areas in Assam (in Rupees)	127
23. Table 3.23: Average Daily Wage (in Rs.) of Regular and Casual Workers in Assam (15-59 Years), 2004-05	128

#### **CHAPTER IV**

1. Table 4.01: Female Work Participation in the Blocks of Barpeta and Bajali Sub-Divisions of Assam	135
2. Table 4.02: Number of Female Cultivators and Agricultural labourers households in the sample	137
3. Table 4.03: Time Use Pattern of Female Cultivators and Agricultural Labourers in Crop Cultivation	139
4. Table 4.04: Labour Contract Mix, by crop	144
5. Table 4.05: Working days of Female Cultivators and Agricultural Labourers by farm activities [Number of Days (8 hrs) spent]	149
6. Table 4.06: Month-wise employment of labour days (8 hours) per worker	151
7. Table 4.07: Female Cultivators and Agricultural Labourers in Livestock and Poultry related activities. Number of Days (8 hrs) spent	153
8. Table 4.08: Female Cultivators and Agricultural Labourers in Seri cultural activities Number of Days (8 hrs) spent	156
9. Table 4.09: Female Cultivators and Agricultural Labourers in Handloom Weaving Number of Days (8 hrs) spent	158

10. Table 4.10: Female Cultivators and Agricultural Labourers in Food Processing Number of Days (8 hrs) spent	160
11. Table 4.11: Aggregate Labour Time of Women Workers Person days (8 hrs per worker)	161
12. Table 4.12: Difference in the labour time Use of Female & Agricultural Labourers	163
13. Table 4.13: Co-efficient of variation of labour time used	164
14. Table 4.14: ANOVA technique (One-way Classification Model)	165
15. Table 4.15: 'Z' Test	166

## **CHAPTER V**

1. Table 5.01: Farm and Non-farm Income of Female Cultivators and Agricultural Labourers in group A, B & C of study villages ( <i>in Rs.</i> )	169
2. Table 5.02: Per capita income of female cultivators and agricultural labourers in the study villages ( <i>in Rs.</i> )	173
3. Table 5.03: Percentage share of income ( <i>in percent</i> )	178
4. Table 5.04: Group-wise Difference of income of Female cultivators and Agricultural Labourers ( <i>in Rs.</i> )	182
5. Table 5.05: Group-wise variation of income of cultivators and labourers	183
6. Table 5.06: ANOVA (One-way classification model)	184
7. Table 5.07: Results of z-test	185
8. Table 5.08: Group-wise Average Consumption Expenditure of Female Cultivators and the Agricultural Labourers ( <i>in Rs.</i> )	187
9. Table 5.09: Group-wise Per -Capita Consumption of Female Cultivators and Agricultural Labourers ( <i>in Rs.</i> )	193
10. Table 5.10: Percentage Expenditure to the Per Capita income ( <i>in Percent</i> )	197
11. Table 5.11: Difference of consumption expenditure ( <i>in Rs.</i> )	201
12. Table 5.12: Average propensity to consume ( <i>in Rs.</i> )	202
13. Table 5.13: Group-wise Variation in Consumption of the Female Cultivators and Agricultural Labourers	203
14. Table 5.14: ANNOVA (One-way Classification Model)	204
15. Table 5.15: Results of z-test	205

**CHAPTER VI**

1. Table 6.01:	Value of assets of cultivators and labourers in study villages (in Rs.)	209
2. Table 6.02:	Per capita value of assets (in Rs.)	214
3. Table 6.03:	Loan obtained by cultivators and labourers from different sources (in Rs.)	219
4. Table 6.04:	Per capita liabilities (in Rs.)	222
5. Table 6.05:	Distribution of liabilities on the basis of purpose (in Rs.)	225
6. Table 6.06:	Area and construction status of houses	228
7. Table 6.07:	Cattle yard status of the groups of study villages	231
8. Table 6.08:	Ventilation status of houses	232
9. Table 6.09:	Source wise collection of drinking water	234
10. Table 6.10:	Household having toilet facilities	236
11. Table 6.11:	Households having radio, television and mobile phones	238
12. Table 6.12:	Illness distribution among cultivators and labourers	240
13. Table 6.13:	Reproductive health problems among ever married cultivators and labourers	243
14. Table 6.14:	Distribution of different institutions in which cultivators and labourers sought medical help during the period of two weeks prior to the date of interview	245
15. Table 6.15:	Literacy rate in the groups of villages of cultivators and labourers under study	247
16. Table 6.16:	Selected indicators of economic well-being in the groups of villages of cultivators and labourers in the study area	250
