

## **ACKNOWLEDGEMENT**

It is a pleasure to take this opportunity of conveying my gratitude towards a lot of people for making my Ph.D. work successful. First of all I would like to express my heartiest thanks to my supervisor Prof. Basudeb Basu, Head, Department of Chemistry, University of North Bengal, for his invaluable guidance, support and constant encouragements. His huge experience and enormous knowledge in research work have made my journey fruitful.

I would like to express my deepest thanks to Dr. A. K. Nanda, Associate professor, Dr. Pranab Ghosh, Associate professor and Dr. Sajal Das, Assistant professor, Department of Chemistry, NBU for their constant support throughout my research work.

I heartily thank my supportive lab mates Debasish Sengupta, Susmita Paul, Babli Roy, Kinkar Biswas and Sujit Ghosh from whom I have always received complete cooperation.

Thanks are also due to all teachers, staff members and all the research scholars of the Department of Chemistry, NBU, Darjeeling.

Financial supports from UGC for award of fellowship and DST for financial support are gratefully acknowledged.

Finally, I would like to express my thanks to the University of North Bengal for providing infrastructural facilities.

Last but not the least, I specially thank my family for their selfless love and support.
