

PREFACE

At the very outset I would like to thank Dr. Rathin Bandopadhyay, Head, Department of Law and Head, Department of Management, University of North Bengal, my Supervisor for this work, without whose constant, zeal and enthusiasm this work would ever be complete. It was more than a pleasure to work under the able supervisions of a multi faceted personality like him. In fact words fall short to express my gratitude towards him; all that can be said is, he was the perfect guide every scholar would yearn for.

I would also take this opportunity to thanks Prof. Gongotri Chakraborty and Late Prof. (Dr). Bishnu Prasad Dwivedi of Department of law to have given their valuable advice at the outset of this work. Thanks are also due to each and every teacher, Office Staff and Library Staff of the Department of Law, University of North Bengal. I would like to particularly thank Mrs. Sati Dey and Mr. Amal Dhar who have gone out of the way to help me.

This work took me to some of the best libraries in the country. Hence heartiest thanks are due to each and every Library Staff of Deptt. Of the Law, University of North Bengal, The Central Library, University of North Bengal, Calcutta University Law Library, The British Council Library, Kolkata, The American Centre Library, Kolkata, The Indian Council of Social Science Research Library, Kolkata, The West Bengal National University of Juridical Sciences Library, Kolkata, The Asiatic Society Library, Kolkata, West Bengal State Library, Kolkata, State Human Rights Commission, Kolkata, Mahanirban Calcutta Research Group, Kolkata, The Indian Law Institute Library, New Delhi, The Indian Society for International Law Library, New Delhi, The National Human Rights Commission Library, New Delhi, The Indian Institute of Public Administration Library, New Delhi, The Central Library, Jawaharlal Nehru University, New Delhi; deserves special praise for cooperation and timely help.

This work would never be complete without the encouragement of my colleagues at Indian Institute of Legal Studies, Siliguri and as well as the colleagues of my present Phd. Scholars deserves special thanks for necessary help and advice. Thanks are also due to the office and Library Staff of the College who have helped me immensely.

The little knowledge I have today is all because of my father, Mr. Bhupati Ranjan Das and my mother, Mrs. Puspa Das. It was them who have always stood beside me like a strong pillar of support in all the oddities I have faced in the completion of this work. This book has also been completed with the blessings and inspiration of my husband (Kausik Chatterjee). My son Kaustav would always sit on my lap and give me the inspiration to complete the work. I also acknowledge the co-operation and help from my parents-in-law and also of all my near and dear relatives (Tathagata Sen). I express my profound thanks to numerous friends, students of present and former institutions for the help in different ways. I also express my deep sense of thanks to the learned authors whose works I have consulted and who have been enlisted in the bibliography.
