

Acknowledgements

I express my heartiest gratitude to my respected teacher, mentor and supervisor, Prof. Abhaya Prasad Das of Plant Taxonomy and Environmental Biology laboratory, Department of Botany, North Bengal University for his inspiration, motivation, suggestion and continuous encouragement, co-operation and invaluable guidance, which were tremendously helpful for me to take up and to complete the present work.

I would like to convey my heartiest thanks to our teacher Dr. Monoranjan Chowdhury, Plant Taxonomy and Environmental Biology laboratory, Department of Botany for his valuable guidance, suggestion and continuous encouragement.

I would like to convey my heartiest thanks to the Head of the Department of Botany who looked after the department during my tenure of work for extending all the required facilities.

I am also thankful to all the teachers of Department of Botany for their continuous support, help and encouragement. My thanks also go for all the non-teaching staff of the Department of Botany for their various kinds of assistance.

I express my heartiest thanks to our senior scholar (Didi) Dr. Chandra Ghosh, Head, Botany Department, Gour Mahavidyalaya, Malda for her kind advices and cooperation.

I want to express my cordial thanks to my Teacher Dr. Shubhasis Panda, now posted at Darjeeling Govt. College, for his continuous encouragement and support.

I also express my gratitude to Mrs. Rubi Das who always provided me the motherly environment, enough loves and continuous support which helped me to reach the goal.

I would like to extend my heartiest thanks to my senior scholars in the Taxonomy and Environmental Biology Laboratory, namely, Mr. Animesh Sarkar, Dr. Sonam Rinchen Lepcha, Mr. Suman Nirola, Dr. Ajita Sarkar, Mr. Rajib Biswas, Mr. Saurav Moktan, Mr. Dibakar Choudhury, Mr. Amalesh Bijali, Mr. Kishor Biswas, and my juniors Mr. Biman Krishna Saha, Mrs. Baishakhi Sarkar and Miss Payel Paul for their continuous help and support.

I also want to mention my thanks to Mr. Binod Singha & Mrs. Sangita Oraon, the laboratory attendants in the Plant taxonomy & Environmental biology laboratory for their assistance in field and laboratory works.

I would like to extend my heartiest thanks to Mr. Dhaniram Toto, Mr. Uday Toto, Mr. Khagen Murmu, Mr. Tikka Oraon, Mr. Anil Rabha, Mr. Giribala Santal and Mr. Chandanal Karzi for their continuous help and assistance in ethnobotanical survey of wetland plants.

I must extend my sincere thanks to different Forest Department (Govt. of West Bengal) officials and other staff-members for permitting and assisting me to work, especially in the Protected Areas, which helped me to record some novelties. Other Govt. offices like Land Reforms Department, Jalpaiguri; Fishery Department, Jalpaiguri; Meteorological Department, Jalpaiguri and Wetland Management office Kolkata for providing useful ancillary data required for the proper interpretation of my work.

I want to express my heartiest thanks to Ms. Roshni Biswas, Mr. Janardan Biswas and Mrs. Krishna Biswas for their continuous help, encouragement and moral support.

I remain grateful to all my friends Mr. Rishab Biswas, Mr. Arvind Goyal, Mr. Sudipan Dhar, Mr. Ayan Chakraborty and many others whose continuous suggestion and encouragement had always helped me in every step of this dissertation work,

I would like to convey my thanks to UGC, Govt. of India for the financial support during the course of my works, which helped me to complete the said work,

Last, but ever never be the least, I express my love and gratitude to my parents Shri Tarapada Chowdhury & Smt. Rina Rani Chowdhury for their immense moral support, help and co-operation towards my academic activities. Also, my thanks go to my elders Abir, Akash, and beloved younger Ashik for their moral support and encouragement.
