

ACKNOWLEDGEMENTS

The successful completion of this work, leading to the writing and submission of a Doctoral thesis goes to a large number of persons who helped me in various capacities and different manners during the course of this project work.

The first and the foremost, I extend my deepest sense of thanks and gratitude to my supervisor Dr. Abhaya Prasad Das, FLS (London), Professor, Department of Botany, University of North Bengal, for his inspiration, encouragement and guidance throughout the period of execution of this work. He lifted me when I was down and this shall always remain incised somewhere deep within me for the rest of my days. Without his basic perception and supervision it was not possible even to take up the projected work.

I would like to express my heartiest gratitude to my co-supervisor Dr. Palas Mandal, Assistant Professor, Department of Botany, University of North Bengal, who acquainted me with different aspects of my research and imparted constant guidance through both happy and difficult moments to see me successfully complete this work.

I extend my special gratitude and respect to Dr. M. Chowdhury, Assistant Professor, Department of Botany, University of North Bengal for his unconditional support and assistance, in field and laboratory during my research.

I would like to convey my heartiest thanks to the Heads of the Department of Botany who looked after the department during my tenure of work for extending all the required facilities.

I am also thankful to all the teachers of the Department of Botany, namely Prof. B. N. Chakraborty, Prof. P. K. Sarkar, Prof. (Mrs.) U. Chakraborty, Dr. A. Sen and Dr. S. C. Roy for their continuous support, help and encouragement. My thanks also go for all the non-teaching staff of the Department of Botany for their various kinds of assistance.

I express my thanks to Dr. Chandra Ghosh, 'didi', Assistant Professor, Gour Mahavidyalaya of Gour Banga University, for her extensive help during the course of my research work.

Also, I convey special thanks to Dr. Chandrani Choudhuri, Assistant Professor, St. Xeviers' College, Jalpaiguri for her inspiration during this period.

It is indeed important to extend my thanks to all my lab-mates, seniors and juniors, namely Dr. Sonam R. Lepcha, Dr. Animesh Sarkar, Dr. Ajita Sarkar, Mr. Rajib Biswas, Mr. Goutam Saha, Mr. Suman Nirola, Mr. Anurag Chowdhury, Mr. Anand Lama, Mr. Sourav Moktan, Mr. Kishor Biswas,

Mr. Amalesh Bijali, Mr. Biman Krishna Saha, Mrs. Baishakhi Sarkar, Ms. Payel Paul, Mr. Sujit Mandal, Ms. Dipika Chhetri, Mr. Saran Kumar Gupta, Ms. Arunika Subba, Ms. Sumira Mukhia, Ms. Suchisree Jha, Mr. Sujay Sen, Mr. Priankar Roy and others who were constant sources of help and encouragements in the two laboratories in which I conducted my research.

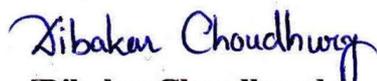

I also offer thanks to Mr. Biplob Sarkar, Mr. Manu Mandal, Mr. Kamalesh Roy, Md. Eqramul Ali, Md. Wazed Ali and others staffs of the *NBU Garden of Medicinal Plants* for their support. Thanks are also due to Mr. Binod Singha and Mrs. Sangita Oraon, Lab & Field Assistants, for their help in my works.

I acknowledge with sincere thanks to Mr. Dilip Singha for helping in different aspects of official works during the course of my research work.

I express my gratitude to the University Grants Commission (UGC) for financial support in the form of Junior and Senior Research Fellowships under BSR Scheme and as a Project Fellow under the SAP of the Department of Botany, to complete the work.

I would remain indebted to Mrs. Ruby Das for her motherly love and inspiration and I like to express my love and thanks to Sri Sanwit Das for his good wishes.

At the end, but the most important, I remember my family and express my heartfelt gratitude and respect to my beloved parents Mr. Ratan Kumar Choudhury and Mrs. Sikha Choudhury for their endless inspiration, encouragement, love and affection. I am also grateful to my parents-in-law Mr. Sitaram Ghosal and Mrs. Shila Ghosal for their moral support. Words are not enough for expressing my heartiest gratitude towards my loving wife Mitali for her continuous support throughout the execution of the work. Thanks are also due to my sister, Rupam and her husband Aniruddha for their constant love and affection. I am also thankful to my other family members for their help and encouragement.
