

C O N T E N T S

		<u>P a g e</u>
ACKNOWLEDGEMENTS	(i) - (ii)
PREFACE	(iii) - (iv)
LIMITATIONS OF STUDY	(v)
LIST OF ABBREVIATIONS	(vi) - (viii)
INTRODUCTION	1 - 3
OBJECT OF STUDY AND REVIEW OF LITERATURE	4 - 7
BREAK UP OF CHAPTERS	8 - 10

PART - I1. INTRODUCING THE DISTRICT OF WEST DINAJPUR

		<u>P a g e</u>
i)	Introduction	11 - 12
ii)	Administrative set-up	12
iii)	Population	12 - 16
iv)	Density of population	16 - 18
v)	Sex ratio	18 - 19
vi)	Meteorological condition	19 - 20
vii)	Soil	20 - 22
viii)	Climate and rainfall	22 - 23
ix)	Topography	24
x)	Table showing land utilisation statistics..	25
xi)	Tables showing sources of irrigation	26 - 29
xii)	Salient information of the district	30
xiii)	References	31

2. INDICATORS OF ECONOMIC BACKWARDNESS OF THE
DISTRICT OF WEST DINAJPUR.

		<u>P a g e</u>
i)	Introduction	32
ii)	Intensive demographic pressure ...	32 - 33
iii)	Rural-urban composition of population and the process of urbanisation ...	34 - 39
iv)	Rural-urban migration	40 - 43
v)	Literacy level	43 - 46
vi)	Backward class composition of population...	46 - 49
vii)	Occupational structure and dependence on agriculture ...	49 - 51
viii)	Level of infrastructure	52
ix)	Transportation	52 - 53
x)	Electricity	54
xi)	Involvement of financial institutions ...	55 - 57
xii)	Marketing and storage	58
xiii)	Education	59 - 62
xiv)	Medicine and health	62 - 63
xv)	Irrigation	64 - 68
xvi)	References	68

PART - IIP a g e

3.	<u>FARM LABOUR SUPPLY BEHAVIOUR WITH SPECIAL REFERENCE TO SOME AREAS OF THE DISTRICT OF WEST DINAJPUR.</u>		
i)	Introduction	...	69
ii)	Labour supply function-a theoretical approach	...	70 - 73
iii)	Determinants of farm labour supply function	...	73 - 75
iv)	Measurement of farm labour supply function with special reference to some selected areas of the district of West Dinajpur.	...	75
v)	Collection of data	...	75 - 77
vi)	Limitations of data	...	77
vii)	The methodology	...	77 - 79
viii)	Choice and form of variables	...	79 - 80
ix)	Choice of the dependent variable	...	80
x)	Choice of the explanatory variable	...	80 - 81
xi)	The results	...	81 - 82
xii)	Analysis of the results	...	82 - 84
xiii)	Farm labour supply function of female labour force.	...	84 - 85
xiv)	Analysis of the results	...	85 - 86
xv)	Seasonal withdrawals of females from labour force.	...	86 - 89
xvi)	References	...	89

4.	<u>DEMAND FUNCTION FOR HIRED FARM LABOUR</u>	<u>P a g e</u>
i)	Introduction	90 - 92
ii)	Collection of data	93
iii)	Limitations of data	93 - 94
iv)	Methodology	94
v)	Assumptions	94 - 95
vi)	Algebraic form of the demand function for hired labour.	95 - 96
vii)	Empirical observations	97 - 101
viii)	References	102 -
5.	<u>DEMAND FOR HIRED FARM LABOUR AND NEW TECHNOLOGY IN AGRICULTURE</u>	
i)	Introduction	103 - 107
ii)	New Technology and Concentration	107 - 110
iii)	Trends in landlessness	110 - 111
iv)	Leasing out among small land-owners	111 - 113
v)	Lorenz Curve	113 - 117
vi)	References	118

PART - III

6.	<u>EMPLOYEE-LABOURER RELATIONS IN AGRICULTURE</u>	
i)	Introduction	119
ii)	Theoretical approach	119 - 121
iii)	Empirical findings	122 - 123
iv)	Interlinkage of credit with farm-labour	124 - 125
v)	Assumptions	125 - 126
vi)	The Model	126 - 128

		<u>Page</u>
vii)	Labour-tie in agriculture	128 - 130
viii)	Interpretation of credit-labour-tie	130 - 131
ix)	Conclusion	132
x)	References	132 - 133

7. UNCERTAINTY IN TENANTIAL SYSTEM AND ITS
IMPACT ON LAND-IMPROVEMENT.

i)	Land-tenure system — the historical background	134 - 140
ii)	Impact of insecurity of tenure	140 - 141
iii)	Terms and conditions of share-cropping tenancy on the basis of some village -survey-data of West Dinajpur district.	141 - 146
iv)	Rationale of share-cropping tenancy	146 - 147
v)	Tenancy and exploitation	147 - 148
vi)	References	149

PART - IV

8. FORMATION OF AGRARIAN CLASSES

i)	Introduction	150 - 152
ii)	Concept of class	152 - 153
iii)	Empirical observations	154 - 160
iv)	References	160

	<u>P a g e</u>
9. <u>EXTENT OF RURAL POVERTY WITH SPECIAL REFERENCE TO THE DISTRICT OF WEST DINAJPUR.</u>	
i) Introduction 	161 - 162
ii) Concept of poverty 	162 - 166
iii) Measurement of poverty 	166
iv) Empirical study 	167
v) Collection of data 	167
vi) Limitations of data 	167 - 168
vii) Methodology 	168 - 184
viii) References 	184
10. <u>POLICIES AND PROGRAMMES FOR ERADICATION OF RURAL POVERTY - AN EVALUATION.</u>	
i) Policies and Programmes—success and failure. 	185 - 197
ii) Monitoring—an analytical study 	197 - 200
iii) References 	201
11. <u>SUMMARY AND CONCLUSION</u>	202 - 234
<u>BIBLIOGRAPHY</u>	235 - 241
 <u>APPENDICES</u>	
A. Symbols and variables used in some chapters. 	243 - 247
B. Raw data for computations of multiple regression analysis (chapter-III) 	248 - 250
C. Data relating to the distribution of the weaker section of population of the district of west Dinajpur. 	251
