

## ACKNOWLEDGEMENT

I am very much fortunate that I got the opportunity to work under the supervision of Dr. KanakKantiBagchi, Professor, Department of Economic, University of North Bengal who has continuously guided me in collection of data, compilation, tabulation and presentation of data for writing my Ph. D thesis in economics on the topic entitled “Agricultural Mechanization in West Bengal: A Comparative Study of Bardhaman and DakhinDinajpur Districts”. I would like to express my sincere gratitude my supervisor for his continuous support of my Ph. D study and related research, for his patience, motivation and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph. D study. I also extend my sincere thanks to all the teachers of Economics Department, University of North Bengal for their valuable suggestions to complete my study.

I am very much grateful to my parent, wife and all other family members for always providing encouragement for the completion of my Ph.D work. I am indebted to my younger brother Mr. Joytish Chandra Sarkar and my beloved friend Mr. SukumarSarkar to provide their assistance throughout the journey of work. Also I express my sense of gratitude to villagers of my field area from whome I have collected the primary data for my study.

I am indebted to the University Grants Commission provide me with Rajiv Gandhi National Fellowship to undertake, continue and complete the research work. I express my keen gratitude to all officials of the library of North BengalUniversity, ISI Kolkata, Kolkata National Library and all other sources from which I have collected secondary data information and literature for my research work. I would like to convey my thanks to non-teaching staff, all senior and junior research fellow friends of Economics Department, University of North Bengal for providing me precious assistance.
