## CERTIFICATE

It gives me immense pleasure to certify the thesis titled "Impact of Education and Skill Training Intervention on the Urban Working Children in Bangladesh during the 1990s" prepared by Mr. Mostafa Hasan under my direct supervision and guidance.

Mr. Hasan, as an ICCR-sponsored international research scholar from Bangladesh in the Department of Economics of University of North Bengal, has prepared this thesis on the basis of his own empirical observation, investigation and analysis. I went through the whole thesis and found it satisfactory for submission for the degree of Ph.D. To the best of my knowledge and belief – this thesis or any part of it has not been submitted before any University or Institution for the Ph.D. or any other degree or award. The thesis may kindly be sent for evaluation.
