Declaration on Authenticity

I declare that this thesis is not copied or plagiarised from any other work . All sources have been properly cited and referenced . A scan of the entire thesis was conducted using a widely used anti-plagiarism software ; Plagiarism Checker X . The similarity index , found by the software was 11 % and uniqueness was 89 % . Materials which were not found to be unique in the scan included the parts related to the review of literature and other such parts where different studies have been taken into account for reference. All such materials have been properly cited, referenced and acknowledged by the researcher.

The summary of the report as generated by the software as well as the first page of the report is included hereafter in this thesis.
