

ACKNOWLEDGEMENT

I am sincerely grateful to my guide respected Dr. A Saha, Professor, Department of Botany, University of North Bengal and co-guide Dr. A K Nanda, Associate Professor, Department of Chemistry, University of North Bengal for their constant inspiration and support all through my research works. I have been inspired by their diligence, attention to detail and energetic application to any problem and for his invaluable tutelage, constant encouragement and sustained interest throughout this journey.

I would like to extend my wholehearted appreciation to Dr. P Mandal, Assistant Professor, Department of Botany, University of North Bengal, for his generous advice and invaluable counselling and guidance throughout of my research works.

I would like to place in record my sincere gratitude to respected Dr. A P Das, Professor (Retd.) of Taxonomy, Department of Botany, for identification/authentication of plant specimens that are collected from different Tea Gardens of North Bengal, Dr. A Sen, Professor and Head, Dr. SC Roy, Associate Professor and Dr. M Choudhury, Assistant Professor, Prof. BN Chakraborty (Retd.), Prof. U Chakraborty (Retd.) and Prof. P K Sarkar (Retd.), Department of Botany.

I extend my special gratitude and respect to Dr. D Saha, Assistant Professor, Department of Biotechnology, University of North Bengal for her guidance, appreciation and encouragement.

My Indebtedness and unfathomable thanks to all supporting staff members of Botany Department for their encouragement and providing the lot of information, guidance, supply literatures and their hospitality in my entire journey.

I am thankful to all the research scholars who helped me in different ways during my field and laboratory work by sacrificing their valuable time. I would like to express thanks to all Managers of Tea Garden who expend their time and share their field knowledge during my field works, without their help our survey, identification of cultivar, Tea processing control will not have been possible. I would like to mention here the name of Research Scholar especially, Mr. Priyankar Roy, Mr Satyajit Sarkar, Miss Sumira Mukhia and Mr. Shibu Das, Dipayan Das and Prasenjit Chakraborty for their help and unconditional support.

I am also remembering the golden time I spent in Tea Management, North Bengal University from 1st day of February 2002 to 9th June 2010 and had opportunity to work with Dr. I D Singh, Former HOD, Botany Department, Tea Research Association, Jorhat, Assam and Chairman, Taskforce (Tea) and Director, Institute of Plantation Science and Management, University of North Bengal, Dr. S E Kabir, Former Academic Coordinator, Department of Tea Management and Mr NC Nandi, Former Assistant Advisory Officer, Tea Research Association and faculty member, Dept of Tea Management, University of North Bengal, for their suggestion in my entire journey.

My adoring thanks to Dr Rajib Biswas, Research Fellow, Bengal Safari, Dr. S Dasgupta, Dr. C Choudhury Mandal, Dr. B Saha, Assistant Professor, St. Xavier's College, Mr Sujoy Sen, Assistant Professor, Department of Botany, Siliguri College, Mr Subhrajyoti Bagchi, Assistant Professor, Department of Computer Science, Malda College, Dr A Ghosh, Assistant Professor, Department of Chemistry, Raiganj University for their unconditional love and moral support during the whole course of my laboratory work.

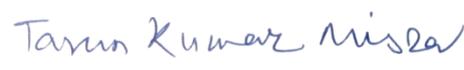

I wish to acknowledge the support extended to me by my elder brother Mr Uttam Kumar Misra, and family: Namita, Dolan, Saikat, without their patience throughout this work would not be possible

I express my deep love and heart full appreciation to my wife Manjushree Roy Misra, Assistant Teacher and to my kids Trigunatmika & Nirmalya Misra without their love and care this journey would have been incomplete.

Finally, I would like to express my deep indebtedness to my mother and father for their endless inspiration, affection and encouragement that has served as the fuel throughout my work and in appreciation of their love I dedicate this research work to their sacred feet.

Place: North Bengal University

Date: 28.07.2017

(Tarun Kumar Misra)
