I am very much grateful to the North Bengal University, Department of Commerce which has accepted me for the Doctoral Programme and provided me with an excellent chance to carry out the present research work.

I, with deep gratitude and admiration, admit the continuous help and support received from my research guide Prof Palas R. Sengupta. It was feasible for me to bring this research work to a productive end because of his positive behavior and steady support.

I would like to thank all the doctors of North Bengal Medical College who co-operated me in the data collection. I also wish to extend my heartfelt thanks to Mr. Deborshi Roy (Scholar of North Bengal University) and numerous other well wishers, relatives, friends who helped me in my two years journey with their references and intellectual inputs. I am thankful to my parents who have always been encouraging me in all my activities. I thank my brother Dr Rajib Prasad for his help in data collection.
