

## A C K N O W L E D G E M E N T

I would like to express my most sincere gratitude and profound thanks to my esteemed teacher Professor P.C. Sarkar of University of North Bengal, who not only initiated me into this kind of research, but also extended all kinds of assistance throughout my work. What is more, without his loving care this work could not have been presented in this present form. My thanks also due to all villagers and Officials of the area for their active co-operation.

Further, I express my sense of personal regard to Mouni, my wife and my friends who directly or indirectly helped me in accomplishing various tasks connected with the preparation of this work.
