

ACKNOWLEDGEMENTS

I would like to express my immense sense of gratitude to Professor Ananda Mukhopadhyay, Ph.D., FZS (Cal), FAZRA, former faculty of the Department of Zoology, University of North Bengal, for accepting me as his Ph.D. student and imprinting my mind with very essence of the course. He had always been there guiding me with twist and turns of the course and at times updating me with valuable suggestions, recent advancements and necessary encouragements throughout my Ph.D. work. Dr. Min Bahadur, my Co-Supervisor, deserves utmost respect and gratitude for his selfless support and expertise help during my Ph.D. tenure. Without his guidance it would have been an impossible task for me to finish this course.

I extend my gratitude to Head of the department Prof. Soumen Bhattacharjee and other faculty members Dr. Dhiraj Saha, Mr. Tilak Saha, Dr. Saurav Mukherjee and Dr. Ritwik Mondal for providing necessary departmental facilities and undue support. Thanks are due to all the non-teaching staff of Zoology department, UNB. I pay my honest indebtedness to former faculties of the Department of Zoology, Prof. Joydeb Pal, Prof. Tapas Kumar Chaudhuri, Prof. Sudip Barat, for their wisdom, support and encouragement in every bits and pieces of my Ph.D. programme. Special mentioning is due to former-faculty of the department of Zoology, Prof. Debes Chandra Deb, who played pivotal role in bringing me to this platform. His encouragement, belief in my capabilities and constant thrust has helped me to complete this work. His contribution to my life is beyond the scope of few words of acknowledgement.

Knowledge and support I received from my seniors Dr. Mayukh Sarkar, Dr. Damayanti Tammanna, Dr. Somnath Roy, Dr. Soma Das and Mr. Saugata Ghosh had always been valuable. It was my pleasure to walk along with my fellow scholars Ms. Sangita Khewra Subba, Dr. Anjali Km Prasad and Mr. Kumar Basnet who were exceptional co-workers. It was my privilege to share my Ph.D. days with some of the most beautiful people from different

laboratories and departments, like Dr. Indra Karki, Dr. Bharat Basistha, Dr. Lakpa Tamang, Mr. Binoy Kishore Rai, Mr. Rujas Yonle, Mr. Pokhraj Guha, Mr. Dawa Bhutia, Ms. Ruksha Nur, Ms. Swati Singh, Ms. Sutanuka Chatraj, Ms. Uttara Bhowmik, Mrs. Trishita Majumdar, Mr. Bappaditya Ghosh, Mr. Tanmoy Dutta, Mr. Subhasis Pal, Mr. Mrinal Roy, Ms. Jayashree Saren and many more who will always be there in my memories. I like to acknowledge Dr. Kiran Sunar, Dr. Anand Sharma, Mr. Saurav Moktan, Mr. Tanmoy Mukhopadhyay for their extra support during the preparation of my PhD thesis. I thank my late younger brother Devraj Kami, Mr. Bishal Thapa and Mr. Sonam Lama who were among the few who truly believed in me and had always supported me on my each and every endeavor.

I extend my thanks to the support and brotherly assistance I received from the lab assistants Mr. Biswajeet Barman, Mr. Bhisudev Barman and Mr. Tinku Roy.

I am thankful to the expertise from Zoological Survey of India Dr. Nivedita Saha, Prof. C.A. Viraktamath, eminent scientist and emeritus Professor, Gandhi Krishi Vigyan Kendra and Dr. V.V. Ramamurthy, renowned insect taxonomist, Indian Agricultural Research Institute, Entomology Division, for helping me in identification of most of the termite specimens at species level.

I am thankful to all of the management personnel, planters and workers of tea plantations of Darjeeling Terai and the Dooars for cooperating with me in carrying my regular field works and providing necessary amenities for the purpose.

I duly acknowledge the University Grants Commission, New Delhi for providing me with much needed financial assistance through UGC-BSR and UGC-JRF fellowships which helped me in conducting my research work smoothly.

My parents Mr. Om Prakash Biswa, Mrs. Moti Biswa and Mrs. Shantu Biswa who despite their many frailty dreamt impossible for me and worked harder to fulfill that. Without their love and blessings this piece of work could have never been possible. Due regards goes to my sister, brother and their spouses Mr. Ambar Biswa, Mrs. Rekha Biswa, Mr. Roshan Biswa, Mrs Rangita Biswa, Mr. Rakesh Biswa, Mrs Rita Biswa, Mr. Rabin Biswa and Mrs. Bijayata Biswa, my nieces and nephews Chandni, Neha, Anish, Anuj, Arnav and Anukul for believing in

me. They were always been more proud on my achievements than I could ever be. I also like to convey my deepest regards for the support and love I received from my in-laws Late Mr. Ajit Sarkar, Mrs. Mamata Sarkar, Mr. Abhijit Sarkar, Mrs Shilpi Sarkar and Master Adreet Sarkar.

Last but not the least I would like to acknowledge the untiring and unconditional support I received from my wife Dr. Ajita Sarkar that can never be measured in these few words of gratitude. She gave endless efforts to propel me ahead and sacrificed her dreams so that I could live my own. Most importantly she completed our family by giving birth to our daughter Awantika who has filled our life with immense pleasure and completeness.

Date: 4th May, 2018

Ritesh Biswa
