The present author expresses her sincere gratefulness to Dr. M. M. Banerjee [Ex-Reader, Department of Mathematics, A.C.College. Jalpaiguri, West Bengal, India] for his immense help and guidance in carrying out the present research work. Without the help of Dr. Banerjee it would not at all be possible for her to complete the research work.

She also expresses her gratitude to her dear husband Sri Manish Chakraborty, who right from the beginning of the research work has been inspiring her and helped her in trifles related with the preparation of the Research book. The present author is also thankful to her parents, parents-in-law, her little daughter, Mrs. Sandhya Banerjee, Mr. Bapi Karmakar, Mrs. Sandhya Biswas. All those persons have extended their helping hands in her work, time to time, in some way or other.
