

ACKNOWLEDGEMENT

This thesis is the outcome of a long rigorous journey in which I have been encouraged and supported by many peoples who actually make my dream possible. It is really pleasure moment for me to express my full gratitude for them.

Primarily, I would like to express my deep and sincere gratitude to my supervisor Dr. Basudeb Basu, Professor, Department of Chemistry, University of North Bengal, Darjeeling, for his invaluable ideas, guidance and constant support during the entire period of my research work.

I wish to express my warm and sincere thanks to Prof. Dongyuan Zhao, Department of Chemistry, Fudan University, Shanghai, P. R. China, for his assistance and support during my research work.

I also would like to thank to Dr. Goutam De, Chief Scientist & Head, Nano-Structured Materials Division, CSIR-CGCRI, Kolkata, for his valuable suggestion on metal nanocomposites of my thesis work.

I express my full gratitude to Prof. Ashutosh Ghosh, University of Calcutta, Kolkata, India for carrying out the single crystal XRD.

I gratefully acknowledge to Dr. A.K. Nanda, Prof. P. Ghosh and Dr. S. Das for recording and interpreting NMR spectra.

I offer my special thanks to Yunke Jing, China and Shreyasi Chattopadhyay, Kolkata for their valuable contribution in my scientific work.

I would like to thank my labmates, Sekhar Da, Bablee di, Susmita Di, Sujit, Babli Di, Debasish, Samir, Sankar, Suchandra and Prasun for their help and active co-operation throughout my research period.

I convey my special thanks to Bhaskar, Joyanta, Antara, Sumanta, Kausik Da, Prasenjit and Mossaraf for their constant support.

I am really lucky that I have spent some memorable moments with Sujit in my Ph.D. work.

I would like to express my thanks to CSIR, New Delhi, for awarding me Junior Research Fellowship, University of North Bengal for providing the infrastructural facilities and DST, New Delhi.

I express my full gratitude to Head and all respected teachers of Department of Chemistry, University of North Bengal.

It's my fortune to gratefully acknowledge my Teacher-in-Charge (TIC), Uttam Roy of Raiganj College (University College, now Raiganj University) for giving me a chance for pursuing my Ph.D. programme.

I am really grateful to UGC, Kolkata for giving me the Teacher Fellowship under UGC-FDP programme.

I really acknowledge my elder brother for his constant inspiration throughout my life.

I would like to thank my wife Esha and my daughter Aishiki for their constant selflessness, love and support.

I also acknowledge my all relatives and family members.

Last but not the least I like to acknowledge my Parents for their constant love and support.

Without them, I would not be half the person that I am today.
