

## LIST OF TABLES

<b>Table 1.1:</b> Showing medium sized Rivers along with their places of origin	..... 25
<b>Table 1.2:</b> Average annual rainfall data of Darjeeling Sub-Division	..... 33
<b>Table 1.3:</b> Average annual rainfall data of Kalimpong Sub-Division	..... 34
<b>Table 1.4:</b> Average annual rainfall data of Kurseong Sub-Division	..... 34
<b>Table 1.5:</b> Temperature data of Darjeeling Sub-Division	..... 37
<b>Table 1.6:</b> Temperature data of Kalimpong Sub-Division	..... 38
<b>Table 1.7:</b> Temperature data of Kurseong Sub-Division	..... 39
<b>Table 1.8:</b> (Bhujel, 1996) classified the Darjeeling vegetations under five categories	..... 44
<b>Table 4.1:</b> Comparative morphology of <i>Geodorum densiflorum</i> (Lamk.) Schltr. and var. nov. <i>kalimpongense</i> Rajendra Yonzon <i>et al.</i>	..... 191-192
<b>Table 4.2:</b> Comparative morphology of <i>Pinalia amica</i> Rchb. f. and intraspecific variation occurred species.	..... 269-270
<b>Table 4.3:</b> Comparative morphology of flowers of <i>Vanda cristata</i> Lindl.	..... 410-411
<b>Table 5.1:</b> Numerical Presentation of species	..... 485

<b>Table 5.2:</b> Numerical representation of epiphytic species with each genus	..... 487
<b>Table 5.3:</b> Numerical representation of terrestrial Orchid species with each genus	..... 488
<b>Table 5.4:</b> Numerical representation of Saprophytic Orchid species with each genus	..... 489
<b>Table 5.5:</b> Showing the name of the places visited along with their altitudinal range in metres and available Orchid genera	..... 495-506
<b>Table 5.6:</b> General Distribution of Orchid species	..... 511-520
<b>Table 5.7:</b> Showing the name of Orchid genera with number of species and their present availability status	..... 525-528
<b>Table 5.8:</b> Total number of Orchid species with their present availability status	..... 529
<b>Table 5.9:</b> Threatened Orchid Species of India recorded from Darjeeling Himalaya	..... 531
<b>Table 5.10:</b> Comparative numerical representation of different Orchid species in the ten published flora and in the present work	..... 533
<b>Table 5.11:</b> Endemic species restricted to Darjeeling Himalaya to Indian Subcontinent	..... 537
<b>Table 5.12:</b> Medicinal uses of Orchid species	..... 539-543
<b>Table 5.13:</b> Flowering Calendar of Orchid Species of Darjeeling Himalaya	..... 557-568
