

ACKNOWLEDGEMENT

I am deeply grateful to my guide **Dr. Ranjan Roy**, Professor, Department of Geography and Applied Geography, University of North Bengal, Raja Rammohunpur, Darjeeling, West Bengal, India. It is his keen interest, valuable guidance, suggestions, support and constant encouragement which made it possible to complete this thesis.

I am also very grateful to Prof. Subir Sarkar, Head of the Department of Geography and Applied Geography, University of North Bengal for his inspiring advice. I sincerely thank all the faculty members for their valuable suggestions which greatly helped me in understanding my research needs and also staff members of the department for their cooperation. I am also thankful to my teacher Mr. Arobindu Mukherjee, Professor (Retired), Siliguri College, Siliguri for his constant support.

I am extremely grateful to Dr. Papiya Bhattacharjee, ADO, Matigara- Naxalbari block and Dr. Nephu Ahmed, ADO, Kharibari-Phansidewa block for providing necessary information and report to complete this work. The other key personnel who helped me in collecting data regarding my work are Mrs. Soma Chakrabarty and Mr. Depak Dey, Sub-Divisional Agricultural Office, Siliguri. I also appreciate the whole hearted cooperation from Krishi Sahayaks of each gram panchayat without whom collection of necessary data would not be possible.

I would also like to sincere thanks to Mr. Vishal, Amit for assisting me in my field work.

My grateful thanks go to Mr. Somnath Chatterjee for cartographic assistance in my thesis. Thanks to Dhar Brothers, Kolkata for helping me printing and binding the thesis.

I take this opportunity to thanks Library staff of University of North Bengal for their cooperation to use the library facility extensively.

I am extremely indebted to the farmers of each gram panchayat who have given me the first hand acquaintance with the real picture of agriculture and their socio-economic conditions which is more enlightening than the recorded information of the respected area.

References have been made to a number of authors to whom acknowledgements have been made in the work at proper places.

I received admiration and support from my parents (Sri Birendra Nath Singha and Smt Dipti Singha). This work is dedicated to my parents without whom it is not possible to me to complete this work. My brother Dipankar Singha and sister-in-law Sangita Singha always encouraged me for my research. My in-laws gave me constant encouragement which enabled me to complete my work. My grandfather Sri Satish Chandra Roy encouraged me to complete the work.

While carrying out the work at my workplace (B. B. College) has come across with many people like Mrs. Amrita Pal, for giving suggestions and necessary inputs while the work was under process. My special thanks go to Dr. Bappa Sarkar, Mr. Arjun and Ms. Pompi for their valuable suggestions and support.

Finally, thank is too small a word to express my gratitude for my husband, Ajitesh Barman, for inspiring and motivating me through all the difficult times during this period. I beg forgiveness for the patience, sacrifices that my husband rendered during this period. I also like to thank to my little prince, Arohan Barman (Neer) whose innocent face ever-since his birth has boosted up me to complete the research work.
