

CERTIFICATE

I certify that Mr. Tanmay Mukhopadhyay has completed the thesis entitled, “Study of Genetic Diversity in the Threatened Ornamental Fishes, *Badis badis* (Hamilton-Buchanan, 1822) and *Amblyceps mangois* (Hamilton-Buchanan, 1822) from Terai and the Dooars region of North Bengal, India.” under my supervision for the award of Ph.D. degree at University of North Bengal. He has carried out his research work at the Cell and Molecular Biology Laboratory, Department of Zoology, University of North Bengal. No part of this thesis has formed the basis for the award or any fellowship previously.
