

## LIST OF TABLES

TABLE	PAGE NUMBER
Table 1.1: Sample Hamlets and Locations	19
Table 3.1: Comparative Block Demography of Darjeeling District (1991-2001)	52
Table 3.2: Block Literacy in Darjeeling District (1991- 2001)	53
Table 3.3: Caste Demography of Darjeeling Blocks	54
Table 3.4: Block-wise Settlement Density & Land and Road Availability in Darjeeling District 2001	55
Table 3.5: Rural Land-use in Darjeeling Blocks 2001	56
Table 3.6: Changes in Rural Land-use in Darjeeling Blocks 1991-2001	57
Table 3.7: Size-Distribution of Agricultural Holdings in Rural Darjeeling in 2001	57
Table 3.8: Population, Workforce & Work Participation Patterns in Darjeeling District 1991 & 2001	58
Table 3.9: Gender & Work Participation Patterns in Darjeeling Blocks 2001	60
Table 3.10: Sectoral Composition of Workforce in Darjeeling Blocks 1991 & 2001	61
Table 3.11: Village Grading on Relative Locational Characteristics	63
Table 3.12: Demographic Characteristics of the Selected Hamlets	63
Table 3.13: Child Population, Age, Education & Literacy Comparisons between Sample Villages	64
Table 3.14: Caste-composition of Sample Population	65
Table 3.15: Land Holding-size-wise Demographic Features of the Sample Population	66
Table 3.16: Land-man Features in the Study Hamlets	67
Table 3.17: Land-use Pattern in Sample Villages	68
Table 3.18: Size-Distribution of Agricultural Holdings in the Hamlets	69
Table 3.19: Population and Workforce in Study Villages	69

<b>TABLE</b>	<b>PAGE NUMBER</b>
Table 3.20: Gender Work Participation in the Study Region	70
Table 3.21: Sectoral Composition of Workforce in Study Villages	71
Table 4.1: Typical Meteorological Characteristics of Kalimpong Subdivision, 2001- 2005	75
Table 4.2: Distribution of Gross Cropped Area in Study Region by Crop Seasons	77
Table 4.3: Distribution of Cropland Area across Major Crop Groups	79-80
Table 4.4: Influence of Irrigation on Cropland Allocation across Major Crop Groups	82
Table 4.5: Influence of Landownership on Cropland Allocation across Major Crop Groups	82
Table 4.6: Influence of Farm-size on Cropland Allocation across Major Crop Groups	83
Table 4.7: Influence of Location & Topography on Relative Allocation of Croplands in Study Villages	84
Table 4.8: Allocation of Cropland to Single Crops & Intercrops in the Study Region	85-86
Table 4.9: Change in Cropland Allocations to Major Crops between 1999-2000 & 2004-2005	88-90
Table 4.10: Indices of Diversification across All Crop Groups in the Study Region	93
Table 4.11: Crop Diversification across Hamlets by Elevation Clusters	94
Table 4.12: Influence of Landholding-size on Crop Diversification	94
Table 4.13: Influence of Irrigation Access on Crop Diversification	95
Table 4.14: Influence of Land Ownership on Crop Diversification	96
Table 4.15: Inter-temporal Crop Diversification across Study Region	96
Table 4.16: Stratified Inter-temporal Crop Diversification between 1999-2000 & 2004-2005	97
Table 5.1: Production of Major Crops & Crop Groups in the Study Region	100-101

<b>TABLE</b>	<b>PAGE NUMBER</b>
Table 5.2: Production of Major Crops by Farm-size & Irrigation Status	103
Table 5.3: Value of Sales of by Major Crop Groups	104-105
Table 5.4: Sales of Major Crops by Farm-size & Irrigation Status	107
Table 5.5: Village Ranking by Diversification Indices and Crop Sales	108
Table 5.6: Crop Entropy and Crop Turnout Rate Associations for Total Crops	109
Table 5.7: Market Share and Crop Income from Major Crops	110-111
Table 5.8: Market Share and Crop Income from Major Crops by Farm-size	113
Table 5.9: Spatial Variation in Cropping Costs and Crop Returns	114-115
Table 5.10: Crop Sales, Returns and Cropping Costs across Study Villages by Farm-size	116
Table 5.11: Operational Costs and Returns from Major Crops across Farm-size Categories	118
Table 5.12: Work Man-days Generated from Crop Operations	119-120
Table 5.13: Work Man-days Generated from Crop Operations across Farm-size Categories	121
Table 5.14: Share of Major Crops in Generation of Labour Man-days	122
Table 5.15: Composition of Labour Man-days from Crop Groups across Holding-sizes	124
Table 5.16: Usage of Farmyard Manure by Crop Groups	125
Table 5.17: Usage of Farmyard Manure for Crop Groups across Holding-sizes	126
Table 5.18: Usage of Fertilisers by Crop Groups	127
Table 5.19: Usage of Fertilisers by Crop Groups across Holding-sizes	128
Table 5.20: Pesticide Use by Crop Groups	129
Table 5.21: Bamboo Usage for Staking Out Pulse and Vegetable Crops	130
Table 6.1: Stock, Ownership and Intensity of Bovine Livestock across Villages	135

<b>TABLE</b>	<b>PAGE NUMBER</b>
Table 6.2: Stock, Ownership and Intensity of Bovine Livestock across Holding-size Categories	136
Table 6.3: Composition of General & Cattle Livestock across Villages	137
Table 6.4: Composition of General & Cattle Livestock across Holding-size Categories	138
Table 6.5: Status and Economics of Bovine Livestock across Villages	139
Table 6.6: Status and Economics of Bovine Livestock across Holding-size Categories	141
Table 6.7: Stock, Ownership, Intensity and Composition of Piggery Animals across Villages	142
Table 6.8: Stock, Ownership, Intensity and Composition of Piggery Animals across Holding-size Categories	143
Table 6.9: Status and Economics of Piggery Livestock across Villages	144
Table 6.10: Status and Economics of Piggery Livestock across Holding-size Categories	145
Table 6.11: Stock, Ownership and Composition of Poultry Livestock across Villages	147
Table 6.12: Stock, Ownership, and Composition of Poultry Livestock across Holding-size Categories	148
Table 6.13: Poultry Holdings in the Study Villages	149
Table 6.14: Poultry Activities across Farm-size Categories	151
Table 6.15: Distribution of Livestock Holding in the Study Villages	152
Table 6.16: Livestock Holding across Farm-size Categories	152
Table 6.17: Livestock Activities in the Study Villages	153-154
Table 6.18: Livestock Economics across Farm-size Categories	154
Table 6.19: Livestock Holding by Castes & Communities across Study Region	155
Table 6.20: Work Generation through Livestock Activities in the Study Villages	156

<b>TABLE</b>	<b>PAGE NUMBER</b>
Table 6.21: Interdependence of Farming & Livestock Activities in the Study Villages	157
Table 6.22: Interdependence of Farming & Livestock Activities across Farm-size Categories	158
Table 7.1: Area and Number of Fruit Trees and Frequency Distribution of Fruit Growers across Villages	161-162
Table 7.2: Area and Number of Fruit Trees and Frequency Distribution of Fruit Growers across the Holding-size Categories of the Households	163
Table 7.3: Economic Aspects of Fruit Cultivation across Villages	164
Table 7.4: Economic Aspects of Fruit Cultivation across Holding-size Categories	165
Table 7.5: Plantation of Fruit Seedlings during last 5 Years across Villages	166
Table 7.6: Plantation of Fruit Seedlings during last 5 Years across Holding-size Categories	166
Table 7.7: Area, Stock, Composition and Economics of Bamboos across Villages	167
Table 7.8: Area, Stock, Composition and Economics of Bamboo Plants across Holding-size Categories	168
Table 7.9: Status of Agroforestry Trees/Plants across Villages	169
Table 7.10: Status of Agroforestry Trees/Plants across Holding-size Categories	170
Table 7.11: Economics of Agroforestry Trees/Plants across Villages	170
Table 7.12: Economics of Agroforestry Trees/Plants across Holding-size Categories	172
Table 7.13: Economics of Miscellaneous Crops and Collected Items across Villages	172
Table 7.14: Economics of Miscellaneous Crops and Collected Items across Holding-size Categories	173
Table 7.15:- Status and Economics of Apiculture across Villages	174

<b>TABLE</b>	<b>PAGE NUMBER</b>
Table 7.16: Status and Economics of Apiculture across Holding-size Categories	175
Table 7.17: Area, Status and Ownership of Floriculture across Villages	176
Table 7.18: Area, Status and Ownership of Floriculture across Holding-size Categories	177
Table 7.19: Economics of the Floriculture across Villages	178-179
Table 7.20: Economics of Floriculture across Holding-size Categories	180
Table 7.21: Status and Economics of Sericulture across Villages	181
Table 7.22: Status and Economics of Sericulture across Holding-size Categories	182
Table 7.23: Status and Economics of Pisciculture across Villages	183
Table 7.24: Status and Economics of the Pisciculture across Holding-size Categories	184
Table 7.25: Absolute and Relative Value Generation of Agricultural Sub-sectors across Villages	185
Table 7.26: Absolute and Relative Value Generation of Agricultural Sub-sectors across Holding-size Categories	186
Table 7.27: Absolute and Relative Earning from Agricultural Sub-sectors across Villages	187
Table 7.28: Absolute and Relative Earning from Agricultural Sub-sectors across Holding-size Categories	188
