

## ACKNOWLEDGEMENT

*At the outset, I would like to convey my gratitude from the deep core of heart to my Hon'ble Principal supervisor, Prof. Mahendra Nath Roy, Department of Chemistry, University of North Bengal, Darjeeling, India, for giving me the chance to carry out research works under his guidance. His enigmatic guidance, constructive criticism, precious suggestions and constant inspiration that I have received during the research period are priceless on both academic and personal level. I am deeply obligated to him for his sympathetic temperament, continuous motivation and endless encouragement throughout the journey. His supreme knowledge in the field of 'Solution Thermodynamics including Host-Guest Inclusion Complexation' meticulous guidance and priceless supervision helped me to bring the present shape to this thesis.*

*I am also very much grateful to my co-supervisor Prof. Biswajit Sinha, Department of Chemistry, University of North Bengal, for his outstanding knowledge, sincere guidance and valuable advices throughout the journey of my research work.*

*I also extend my sincere and heartfelt appreciation to the Hon'ble Head, faculty members and academic staff, Department of Chemistry, University of North Bengal for their invaluable support and unrelenting inspiration during the period of my research. The instrumental assistance provided by our University Scientific Instrumentation Centre (USIC) associated with my PhD thesis is elegantly acknowledged.*

*I wholeheartedly want to thank my father late **Majibar Rahaman** without him I couldn't be able to reach in my position. I want to dedicate my thesis to him. I am helpless without him since 2010. His guidance, advice and love for me was enormous .I will be very much happy if I can complete his dreams .*

*My mother **Rokeya Begum** being simple widow in a remote village will be exceedingly happy to see me as a Professor in Chemistry with a Doctorate degree (PhD). I pay my heartfelt gratitude and regards to her for her love, affection and continuous support throughout the journey.*

*I would like to thank my wife, Mrs **Rubina Banu Rahaman**, my daughter, **Aliza Rahaman**, for their unequivocal support and great patience, for whom mere expression of thanks is not enough.*

*I also very much grateful to my father in law **Talimul Haque**, mother in law **Sahnaz Begum**, brother in law **Md. Toukir Hussain**, my relatives and well-wishers for their co-operation, love and inspiration.*

*My special thanks go to Lab. mates **Dr. Kanak Roy**, **Dr. Kalipada Sarkar**, **Dr. Subhadeep Saha**, , **Dr. Biraj Kumar Barman**, **Dr. Aditi Roy**, **Dr. Koyeli Das**, **Dr. Mitali Kundu**, **Dr. Raja Ghosh**, **Mr. Biplab Rajbanshi**, **Dr. Ashutosh Dutta**, **Mr. Niloy Roy**, **Mrs Beauty Mahato**, **Miss Ananya Yasmin**, **Miss Samapika Ray**, **Miss Debashmita Das** and **Miss Paramita Karmakar**, **Mr. Pranish Bomzan** for their valuable support and cooperation during my research work.*

*I am also very much thankful to **Navin Poudyal**, Officer-In-Charge of Pedong Government College where I am serving as an*

*Assistant Professor and other colleagues for their incessant support and motivation during my research work.*

*I am very grateful to the sources of the information required for my research work like the numerous books, monographs, articles, computer website, etc. I must acknowledge the authors of various articles whose references I have cited in this thesis.*

*I would like to extend my appreciation to 'ONE TIME GRANT Ref No. F.4-10/2010(BSR) awarded to my Supervisor, Prof. M. N. Roy, under Basic Scientific Research (BSR), UGC, New Delhi for financial and instrumental assistance in connection with the research work.*

*I bow my head in front of the Almighty 'ALLAH', for giving me strength, wisdom and courage to complete this task.*
