PREFACE ...	i
CONTENTS ...	ii- v
LIST OF TABLES ...	vi-vii
M A P ...	viii
CHAPTER I	
INTRODUCTION ...	1-36
1.1. Introducing North Bengal ...	1
1.2. Purpose of the Study... ..	5
1.3. Collection of Data — Some Problems ...	5
1.4. Plan of the Research Work ...	7
1.5. Sampling Design ...	9
1.6. A Brief Introduction to the History and Ecology of Jalpaiguri District ...	10
1.6.1. Documental Sources ...	10
1.6.2. A Brief Introduction to the District of Jalpaiguri ...	11
1.6.3. The District in Retrospect ...	12
1.6.3.1 A Glimpse into the History of the Region ...	12
1.6.3.2 The Formation of the District ...	13
1.6.4. Physical features and economic characteristics of the District ...	15
1.6.4.1 Boundary of the District ...	15
1.6.4.2 Physical Divisions ...	16
1.6.4.3 Soil Composition ...	16
1.6.4.4 Classification of the Soil ...	18
1.6.4.5 Interpretation ...	21

	<u>Page</u>
1.6.4.6 Irrigation	22
1.6.4.6(1) Interpretation	25
1.6.4.7 Basic Background Information of Jalpaiguri District	26
1.6.4.8 Observations	26
1.6.4.9 Climate (A)	27
1.6.4.10 Climate (B)	28
1.6.4.11 Rainfall	29
1.6.4.12 Temperature	30
1.6.4.13 River System - A Brief Resume	31
1.7 Importance of the Study	33
1.8 Scope of the Study	35
1.9 Limitations of the Thesis	35
 CHAPTER II	
AGRARIAN STRUCTURE	37-43
 CHAPTER III	
LEVEL OF AGRICULTURAL ENTERPRISE	44-67
3.1. Introduction	44
3.2. Indicators Used	45
3.3. Objective	46
3.4. Field Results	46
3.4.1. Paddy Area as Percentage of Total Cropped Area	46
3.4.2. Irrigated Area as Percentage of Operated Area	48
3.4.3. Land-Use Intensity Ratio	49
3.4.4. Per Acre Yield of Paddy	52
3.4.5. Per Acre Use of Chemical Fertilizers for Paddy	54

	<u>Page</u>
3.4.6. Per Acre Use of Chemical Fertilizers and other Manures for all Crops ...	55
3.4.7. Wheat Area as Percentage of Total Cropped Area and Wheat Yield Per acre ...	56
3.4.8. Per Acre Value of Total Output ...	58
3.4.9. Per Acre Cost of Hired Labour ...	59
3.4.10. Per Acre Investment on Land ...	60
3.4.11. Per Acre Investment on Irrigation ...	60
3.4.12. Per Acre Investment on Improved Implements... ..	61
3.4.13. High-Yielding Variety Paddy Area as Percentage of Total Paddy Area ...	63
3.4.14. Per Acre Yield of Jute	64
3.4.15. Sales as Percentage of Total Receipts ...	65
3.5. Remarks	66

CHAPTER IV

A STUDY OF FRICTIONS AND UNEXPECTED DEVELOPMENTS IN IMPROVED FARM TECHNOLOGY	63-211
4.1. Introduction	68
4.2. Farm Productivity	68
4.3. Land Values, Land Rents And Tenancy	81
4.4. Employment Opportunities And Management Under Modern Farming	88
4.5. Wages, Duration of Employment And Supply of Labour	104
4.6. Production of Different Varieties of Seeds ..	132
4.7. Changes in Farming Technology	139
4.8. The New Strategy — Its Conflicts and Contradictions	151
4.9. Local Soil Vis-a-Vis Modern Farming... ..	157
4.10. Modern Farming : Water-Management — Insects/Pests — Straw	160

		<u>Page</u>
4.11.	Impact of Modern Farming Technology on the Marginal Farmers	...
4.12.	Select Observations	166
		174

APPENDICES

Appendix I	211-226
Appendix II	227-229
Appendix III	230-242
BIBLIOGRAPHY	243-246

Handwritten corrections:
230-242 → 262
243-246 → 246
