CERTIFICATE

This is to certify that the thesis entitled “Women in Development: A Study of Women’s Labour Force Participation in Mountain Farming Systems with Special Reference to the Darjeeling Hills of West Bengal”, submitted to the University of North Bengal, India for the award of the Degree of Doctor of Philosophy in Economics, is a bonafide record of the research work done by Ms. Srijana Rai, under my Supervision. To the best of my knowledge, this is an original research work of the scholar, Ms. Srijana Rai, and I also certify that this work has not previously formed the basis for the award of any other Degree, Diploma, Associateship, Fellowship etc. to the scholar. The thesis is an independent work of the candidate. To the best of my knowledge, she bears a good moral character.
