

## ACKNOWLEDGEMENTS

---

First of all, I would like to express my sincere gratitude to my supervisor Prof. Amiya Kumar Panda for his ideas and teachings in the field of Surface Chemistry and drug delivery. His valuable guidance and motivation were the only light during my entire research work. I would also like to express my sincere gratitude to all the faculty members of University of North Bengal and all my teachers for their help and valuable suggestions in my research work. I would like to acknowledge all the non teaching staffs of NBU for providing all kind of support, help and encouragements. It is my great pleasure to acknowledge my all lab mates specially Dr. Kaushik Manna, Dr. Sujoy Paul, Dr. Moumita Chakraborty, Dr. Banita Sinha, Prasant Nahak, Biplab Roy, Pritam Guha, Priyam Chettri, Manas Barai, Atanu Karak, Manas Kumar Mandal, Sujit Patra, Habiba Sultana and Emili Manna for their valuable cooperation and efforts in completing the thesis. I would like to express my thanks to DST, New Delhi, for providing the Junior Research Fellowship and University of North Bengal for giving the infrastructural facilities. I am grateful to my parents for their continuous inspirations and supports in my work. Without their support this work would not have been possible. I would like to express my sincere apologies for any mistake on my part or any word or behavior of mine that may have hurt anyone working with me. Finally, despite my best efforts, some errors might have crept in the thesis. Suggestions and criticisms from learned persons will be thankfully received.

Thank you.
