

A C K N O W L E D G E M E N T

I would like to express my high sense of gratitude and indebtedness to my esteemed teacher and guide Dr. Jagadish Chandra Debnath, Professor, Department of Economics and Dean, Faculty of Arts, Commerce and Law, University of North Bengal for his valuable guidance, constructive criticisms and sustained interest throughout the course of this study. Without his help this challenging task would not have been possible.

I am grateful to Dr. B.K.Saha, Lecturer, A.B.N. Seal College, Cooch Behar and Dr. S.C. Sarkar, Lecturer, Bidhan Chandra Krishi Viswavidyalaya, North Bengal Campus, Cooch Behar for their generous help and constant inspiration during the entire period of this study. Grateful acknowledgement is made to my teachers, colleagues and friends for their unstinted help and co-operation.

I cannot acknowledge by name the many farmers, members of panchayats, officials of the blocks, sub-divisions and the district whose kind services provided the raw materials analysed in the present study, but I wish to record my debt to them. Mr. C.R. Naik of the Department of Computer Science and Applications, North Bengal University deserves my sincere thanks for helping me in the computer work.

I am also grateful to the U.G.C. for granting me a Teacher Fellowship under the Faculty Improvement Programme.

15th November, 1996.
Raja Rammohunpur,
University of North Bengal
