*At the first opportunity I express my most sincere gratitude to my supervisor Prof. Biswajit Sinha for his proficient supervision through the splendid path of my research with great endurance. His constant support, fruitful discussions and valuable suggestions at different stages are really a great motivation. The support and encouragement of all the other faculty members of the Department of Chemistry, University of North Bengal in the whole episode of my research was of colossal help. I am grateful to all the non-teaching staffs of this department for their help during the crucial stage of my research.*

*My thanks to my past and present lab mates Dr. Rajendra Pradhan, Mr. Dhruvajyoti Roy, Dr. Dhiraj Brahma, Dr. Abhijit Sarkar, Dr. Sanjoy Saha, Dr. Amarjit Kamath, Mr. Joygopal Mandal, Mr. Kaushik Acharjee, Mr. Dipu Kr. Mishra, Mrs Ananya Das and Mr. Uttam Kumar Singha, for their selfless help at different stages of my work. I also express my heartfelt gratitude to my parents for their selfless dedication to make me what I am today. My special thanks for my sisters and wife for their love, affection and encouragement during this period. The inspiration, encouragement and whole-hearted cooperation that I received from my friends, is most elegantly acknowledged.*

*I would also like to record my thankfulness to the Departmental Special Assistance Scheme under the University Grants Commission, New Delhi, India (DRS - SAP- III, No. F 540/12/DRS/2013) for financial and instrumental assistance. Above all my praises are due to God, without the poise of whom the whole episode would have had condensed to nothing.*
