

Acknowledgement

Successful completion of my research work is undoubtedly an outcome that I would not have achieved without help, support, motivation and guidance from many people.

Hence, I am glad to take the opportunity to thank everybody who directly or indirectly helped me tackle the hurdles in my path as and when required.

First of all I would like to express my heartfelt gratitude towards my supervisor Dr. Sajal Das for his helpful guidance and continuous support during my research work. I am extremely thankful to him for the patience he kept and the faith that he didn't lose in me even when I was suffering from adversity and a less efficient time period. The kind support that he has always extended towards every one of his research scholars whenever needed is priceless for us.

I express my gratefulness towards my co-supervisor Prof. B. Basu for his encouragement, support and motivation.

I am very thankful to Prof. P. Ghosh who encouraged me and helped me whenever I needed. I express my sincere thanks to Dr. M. N. Roy for his help and encouragement. I want to thank all other teachers of our department for motivating me every now and then from the time I joined the University and extending their support through their scholars during my lab work. I am also thankful to all staff members of my department who have always been very keen to help and motivate us.

I would like to thank my lab mates Sumanta Da, Bhaskar Da, Prasanjit, Barnali, Somashree, Pranesh and Gautam for their contributions in my journey. Other research scholars of my department have also helped me in various ways innumerable times. I am especially thankful to Soumik Da and Debasish Sengupta for their help in my research work.

I am thankful to CSIR and NBU for my scholarship.

Support and motivation from everyone in my family has boosted me and helped me throughout my journey for which I am very grateful.
