

Acknowledgements

First and foremost, I would like to extend my deepest feeling of gratitude and sincerest respect to my guide Dr. Snehasish Saha, Assistant Professor, Department of Geography & Applied Geography, University of North Bengal who with his in-depth knowledge and devoted guidance always helped me in every step of completing my research work. His sympathy, love, politeness and devotion to his own work attracted me throughout the journey of completing my work. I cannot express my own feeling of respect for him for his care, co-operation and trouble sharing etc. I am indebted by his extension of help and supervision in accomplishing my whole work. His co-operations will always be a remembrance for me forever and ever. I shall remain grateful to him for his tolerance, empathy and encouragement without which I could not have completed my work. Moreover, I pray all his mighty blessings forever and ever. During so many phases of hardships he has been always with me only to stabilize my mind morally sound and willful to look forward.

I would like to take this opportunity to dedicate my research work to my respected parents Mr. Pradip Kumar Ghosh, Smt. Santa Ghosh, my adorable wife Smt. Anushree Kirtania (Ghosh) and to my late beloved grandmother Smt. Amita Mitra for all the supports, blessings and sacrifices they extended in accomplishing the research work.

At the same time, I would like to extend my deepest gratitude to Prof. Subir Sarkar, Head of the Department of Geography & Applied Geography, NBU for helping me in growing my subject knowledge and his entire support in reshaping and correcting my whole thesis. I need to express my sincerest respect to my beloved teachers Prof. Deepak Kumar Mandal, Prof. Ranjan Roy, Dr. Suman Sao, Dr. Sushma Rohatagi, Dr. Sudip Kumar Bhattacharya, Dr. Indira Lepcha (nee) Lama, Dr. Arindam Basak, Dr. Indrajit Roy Chowdhury, Dr. Rupak Kumar Paul and Dr. Riti Moktan without whose guidance and help, my thesis could have been incomplete. Grateful acknowledgements are also due to the entire family members of Dept. of Geography & Applied Geography. I also need to acknowledge Dr. Lakpa Tamang, Assistant Professor, Dept. of Geography, Calcutta University for his valuable advice in completing my research. I will remain grateful to Prof. Leszek Starkel and Dr. Powel Prokop of Polish academy of science for their great inspiring contribution to enrich the geography of piedmont zone of Darjeeling Himalaya. I cannot efface the memories of effulgent helps of Mr. Kunal Chakraborty, Mr. Baidurya Biswas, Mr. Ersad Ali, Mr. Arghadeep Bose, Mr. Shibsankar Mallick, Mr. Mihir kumar Roy, Dr. Dipayan Datta, Mr. Gopal Mandal, Mr. Tanmay Kirtania, Mr. Nolendu Roy and my beloved college teachers Dr. Bipul Ch. Sarkar and Mr. Manas Paul. I want also to be thankful to the Govt. departments like Geological survey of India, Survey of India, NBSS & LUP, NATMO (WB), Directorate of Agriculture and North Bengal Division (Jalpaiguri) officials who helped me in every occasion during my secondary data collection. I am equally indebted to the NBU library and staffs for their courageous way to help me in every occasion during library access. I am grateful to all concerns

who supplied me valuable literatures and other printed documents. I am also thankful to my students who helped me a lot during my field surveys. Last but not the least, I would like to express my deepest gratitude to the entire teaching and non-teaching staffs of Dhupguri Girls' College, my close friends, teachers and well-wishers whose names may not be printed here, but are surely carried in my heart with gratitude for making my dream come true.
