

ACKNOWLEDGEMENTS

I express my heartiest gratitude to my respected teacher, mentor and supervisor, Dr. Monoranjan Chowdhury of Plant Taxonomy and Biosystematics laboratory, Department of Botany, University of North Bengal, for his inspiration, motivation, suggestion and continuous encouragement, co-operation and invaluable guidance, which were tremendously helpful for me to take up and to complete the present work.

I would like to convey my heartiest thanks to my teacher, Dr. Shyamal K. Basu (Former Curator, Indian Botanic Garden, Howrah, Past President of The Agri-Horticultural Society of India, Former Member Species Survival Commission (IUCN, Palm group) for his valuable guidance, suggestion and continuous encouragement.

I would like to convey my heartiest thanks to Prof. S. C. Roy, Head of the Department of Botany, NBU for his continuous support, help and encouragement.

I am also thankful to all the teachers Prof. A. Saha, Prof. A. Sen, Dr. P. Mandal, Dr. J. B. Bhandari, Dr. S. Roy and Dr. P. Mathur of the Department of Botany for their continuous support, help and encouragement. My thanks also go to all the non-teaching staff of the Department of Botany for their various kinds of assistance.

I thank to Director Botanical Survey of India and in-charge of AJC Bose Indian Botanic Garden, Howrah for field study of live palms.

I would like to extend my heartiest thanks to my senior scholars in the Taxonomy of Angiosperm and Biosystematics Laboratory, namely, Dr. Anurag Chowdhury, Dr. Rajib Biswas, Dr. Dibakar Choudhury, Miss Payel Paul, Miss Deepika Chettri, Mrs. Roshni Chowdhury and Mr. Aaratrik Pal for their continuous help and support.

I also want to mention my thanks to Mr. Wazed Ali, Mr. Equramul Hoque and Mr. Madhab Ch. Singha, Germplasm Resources of the Centre for Aromatic and Medicinal Plant Garden, NBU and Mr. Amulya Naskar local people, Jharkhali, Sundarban for their assistance in field and laboratory works.

I must extend my sincere thanks to The Agri Horticultural Society of India & Forest Department (Govt. of West Bengal) officials and other staff-members for permitting and assisting me to work, especially in the herbarium and protected areas, which helped me to record some novelties for providing useful ancillary data required for the proper interpretation of my work.

I would like to convey my thanks to UGC–BSR [F.25-1/2014-15 (BSR)/7-132/2007(BSR), Dated: 7.10.2015] Govt. of India for the financial support during the course of my works, which helped me to complete the said work.

Last, but ever never be the least, I express my love and gratitude to my parents Shri Bhudeb Mondal and Smt. Kolpana Mondal for their immense moral support, help and co-operation towards my academic activities. Also, my thanks go to my Brother Sanjay, Sisters Chandana, Padma, Supriya, Sefali and Dipali for their moral support and encouragement.

Sujit Mondal
