

## Acknowledgement

The present thesis "*Reweaving the Concept of Justice in the Globalized Era*" would not have been completed without the help of several people, all of whom I would like to acknowledge.

First of all I am very grateful to my supervisor Prof. Debika Saha, who was always supportive and helpful during my research work and her insightful comments and critique helped me to develop this thesis.

My gratitude to all the faculty members of the department of Philosophy of University of North Bengal, who are kind enough to help me to complete this thesis.

It would not be possible for me to complete this work without the help of my parents and friends. I am thankful for their support and encouragement.

My obligations to the authors have been acknowledged in the bibliography.
