

Acknowledgement

*First of all I pay my heartfelt gratitude to **Almighty God** who guided and provided me the strength, patience and required courage to complete this dissertation after all the challenges and difficulties. Without his blessings, all my endeavours would not turn into achievements.*

*I feel great pleasure to express my respect and sincere gratitude to my supervisor **Dr. Biswajit Sinha**, Professor, Department of Chemistry, University of North Bengal for his continuous support, valuable guidance, constructive criticisms, insightful suggestions, continuous encouragement and unfailing patience over the years at every stage of my research work.*

*I am highly obliged to **Prof. A. Misra**, HEAD, Department of Chemistry, N.B.U, **Prof. P. Ghosh**, Professor, Department of Chemistry, N.B.U, **Prof. M. N. Roy**, former Coordinator, SAP-DRS-III, N.B.U. and vice chancellor, Alipurduar University for their constant support and valuable suggestions during my research work. I also sincerely express my deep sense of gratitude to the other **faculty members** and the **non-teaching staffs** of the Department of Chemistry, N.B.U for their cordial support during my research period.*

I also acknowledge the services of USIC (NBU), SAIF-NEHU (SHILONG), CDRI, (Lucknow) in accomplishing various analytical and spectroscopic analyses. I am highly obliged to the Departmental Special Assistance Scheme under the University Grants Commission, New Delhi, India (SAP-DRS-III, NO.540/12/DRS/2013) for providing financial and instrumental assistance.

*Only words are not adequate to translate my thanks to my seniors **Dr. Dhiraj Brahmin**, **Dr. Abhijit Sarkar**, **Dr. Rajendra Pradhan**, **Dr. Bijan Kumar Pandit**, **Dr. Sanjay Saha**, **Dr. Amarjit Kamath**, and my labmates **Mr. Koushik Acharjee**, **Mr. Dipu Kumar Mishra**, **Mr. Uttam Kumar Singha**, **Mr. Dhruvajyoti Roy**, **Mr. Joygopal Mandal**, **Miss Pritika Gurung**, **Mr. Sudarshan Pradhan**, **Mr. Anmol Chettri**, **Mr. Pranesh Rai** and **Mr. Sailesh Chettri** for their valuable suggestions and cooperation during my experiments and data analysis. I am extremely thankful to Department of Zoology and Department of Tea Science, N.B.U for providing me access to their lab regarding some biological analyses.*

*I owe special thanks to my parents, **Mrs. Kakali Chanda** and **Mr. Kalipada Das** for their love, understanding, encouragement and belief in me. They are my source of motivation and patience. Throughout my research journey I was lucky to have support of my Didibhai (**Mrs. Amrita Das**) in all respects. My loving thanks to **Mrs. Antara Kundu** (didi) and **Mr. Sourav Dutta** (brother-in-law), who helped me in crucial time of my thesis writing by recovering all the lost data of my laptop. I would also like to convey my heartfelt thanks to my entire family and my **in-laws** for their moral support, vibrant love and affection throughout my research period.*

*Last but not the least, I am extremely thankful to my husband, **Mr. Hridoydip Ranjan Dasgupta** for his sincere, unprecedented cooperation and moral support throughout my life and during this work.*

*There are so **many others like all my fellow research mates** whom I may have inadvertently left out and I sincerely thank all of them for their help.*

Miss. Ananya Das
