3.5 Distribution (per 1000) of Migrants by Location of Last Usual Place of Residence	92
3.6 Migration Details of Sikkim (1999-2000 and 2001)	92
3.7 Total Urban Population in Different Towns in Sikkim (1981-2011)	95
3.8 Flow of Migrant Labourers from Various Neighbouring States to Singtam and Rangpo Town	103
3.9 Participation Rate of Migrants in Sikkim's Informal Economy	107
3.10 Different Reasons for Migration in Rangpo and Singtam Town	107
4.1 Migration History of Multiple Movers	123
4.2 Occupation Wise Minimum and Maximum Stay of Migrants in Rangpo and Singtam Town	126
4.3 Different Informal Job Pattern in Rangpo and Singtam Town	127
4.4 Age-Group Wise Participation Rate in Informal Economy, Rangpo and Singtam Town	128

4.5	Poverty Level of the Respondents	129
4.6	Mean Differences of APL and BPL Holders in Rangpo Town	130
4.7	<i>t</i> Test Value of Two-Sample Assuming Equal Variance	130
4.8	Mean Differences of APL and BPL Holders in Singtam Town	131
4.9	<i>t</i> -Test Value of Two-Sample Assuming Equal Variance	131
4.10	Occupational Mobility Due to Migration, Rangpo and Singtam Town	133
4.11	Occupation Wise Relationship between Total Family Members and Numbers of Migrants	134
4.12	X <sup>2</sup> Test Table	135
4.13	Persons Accompanying and Helping the Migrants at the Time of Migration or After Migration	137
4.14	Land Size (in Ha.) Classes of Migrant Labourers at Their Native Place	139
4.15	Land Holding Size and Number of Migrants	140
4.16	Marital Status of the Respondents at Rangpo and Singtam Town	142
4.17	Purposes of Loan among the Respondents	143
4.18	Economic Transformation of the Respondents in Singtam Town	146
4.19	Economic Transformation of the Respondents in Rangpo Town	147
4.20	Occupation Wise Coefficient Variance of Income of Respondents in Rangpo and Singtam	149
4.21	Life Style Amenities of the Respondents in Rangpo and Singtam Town	151
4.22	Average Monthly Expenditure of the Respondents in Rangpo and Singtam Town	153
4.23	Purpose of Saving by the Respondents in Rangpo and Singtam Town	154
4.24	Regression Statistics on the Relationship between Income and Remittance, Singtam Town	157
4.25	Regression Statistics on the Relationship between Income and Remittance, Rangpo Town	158

5.1	Proposed Ranking of Different Work Environment by the Respondents in Rangpo Town	171
5.2	Proposed Ranking of Different Work Environment by the Respondents in Singtam Town	172
5.3	Minimum Wage Paid by the Government of Sikkim and the Average per Day Income of the Respondents	175
5.4	Wage Structure of Respondents in Rangpo and Singtam Town	181
5.5	Average Working Hours of the Respondents	183
5.6	Different Reasons for Return Migration	189
6.1	Application of Adjustment Strategies among the Respondents	221
6.2	Linguistic Status of the Migrant Labourers in Rangpo and Singtam Town	225
6.3	Percentage Share of Respondents in Various Occasions of Host Culture in Rangpo and Singtam Town	228
6.4	Research Variables to Understand Adaptation Level	230
