

ACKNOWLEDGEMENT

I take this opportunity to express my sincere gratitude to my supervisor Dr. Koushik Joardar, Associate Professor in Philosophy, University of North Bengal for his inspiring guidance and untiring help. Without his sincere, co-operative and scholarly supervision, the present work would not have been possible.

I am also greatly obliged to all the teachers of Department of Philosophy for their kind co-operation, blessings and advice that helped me a lot to undertake this research project.

Last but not least I must offer my gratefulness to my family members for their unconditional support for my endeavour.
