

## ACKNOWLEDGEMENT

This compilation of the research work in the form of a thesis has been possible due to the guidance of my supervisor and Teacher Professor S.N.Sen, Senior Professor of Physics, North Bengal University. I do acknowledge my deepest sense of solemn gratitude to him for his abiding interest, initiation, encouragement and advice.

In the process of my research work I have received help and encouragement from Prof. B. Bhattacharjee, Professor of Physics, NBU, Dr. R. Ghosh, Reader in Physics, NBU, Mr. Subhash Chandra Saha, Sr. Glass Blower, Mr. N.N.Maitra, Tech. Superintendent, Mr. S. K. Sarkar, Sr. Tech. Asstt., Mr. N. Pal, Senior Tech. Asstt., Mr. B.K. Nag, Tech. Superintendent and Mr. G. Basak, Tech. Asstt., NBU.

I remember the co-operation received from my Labmate late Sanak Kumar Ghosh during the course of the work.

I am overwhelmed by the inspiration received from my sister Miss Manju Roy Choudhury. I always remember the inspiration received from Mrs. Sarbani Mazumdar, my little cousin sister, Miss. Nabaneeta Mazumdar and my friend Mr. Nemai Das.

I am extremely thankful to Mr. S.L. Sipahimalani, Marketing Director of my present employer, M/s. Toshniwal Instruments (Bombay) Pvt. Ltd. for providing me study leave to complete my thesis.

I also extend my thanks to my friend Mr. Debiprasad Boot, Mr. Naresh Ghosh for drawing the figures for my thesis and Mr. S. Choudhury, Physics Dept., NBU for typing my thesis.

I extend my thanks to Mr. Samir K. Sarkar of USIC, NBU for his valuable help.

Lastly, I remember the moments of inspiration and sacrifice from my wife Mrs. Mousumi Ghosh, I owe a lot to her. I remember my sweet little daughter Miss Sreyoshi Ghosh who smilingly beared the absence of her father on an unknown hope of getting something following the completion of my thesis.
