

## ACKNOWLEDGEMENT

During my Research work I have to interact with different personalities who have helped me with their suggestion, co-operation and inspiration for reaching my goal.

Firstly, I would like to express my deepest regard and gratitude to Dr. Swapna Mukherjee, Principal, Dr. Meghnud Saha College, Itahar, Uttar Dinajpur who is my friend, Philosopher and Guide during my research work.

I must express my thanks of gratitude to Dr. Srikumar Mukherjee, Minister Civil Defence, Govt of West Bengal, whose valuable advice and encouragement always inspired me.

I am also extending thanks to Koel and Koena, daughter of Dr. Mukherjee for sparing their time which they might use with their mother.

I should express my thanks to Jadavpur University Library and National Library, West Bengal for allowing me to use their Library books and Journals relevant to my works.

I offer my sincere thanks to the University of North Bengal for giving me permission for doing research work and for submitting my thesis.

My sisters- Sonali Pangas and Jayee Sarkar who helped me in different ways for preparing my thesis Paper. Their untried co-operation, love and affection relaxed me from pain and monotony of my works. I also must mention here the name of my beloved grand mother, Late Manomohini Sarkar who motivated me in doing Research work.

No word is sufficient to express the sacrifice of my beloved parents who extended their hands of co-operation in every moment.
