

ACKNOWLEDGEMENTS

Words are too few in expressing my deepest sense of gratitude and best regards to my supervisor Dr. T. S. Basu Baul, RSIC, North-Eastern Hill University, Shillong who had introduced me to the fascinating field of organotin(IV) chemistry and extending his untiring guidance, encouragement and inspiration throughout my Ph.D Programme.

I am greatly obliged to Dr. A. Roy, Department of Chemistry, University of North Bengal, Dt.: Darjeeling, for necessary help and encouragement.

Its my great pleasure to thank Prof. D. T. Khathing for encouragement and Dr. B. Myrboh, Head, RSIC, North-Eastern Hill University, Shillong, for all the necessary help.

I would like to thank all the staff members of RSIC for their co-operation and help during the entire tenure of my research programme. Staff members of Computer Centre are also acknowledged for their co-operation during the preparation of the thesis. Thanks are also due the authorities of the University of North Bengal for necessary facilities.

Special mention ought to be made with special thanks to Professors E. R. T. Tiekink, Department of Chemistry, University of Adelaide, Australia, F. E. Smith, School of Graduate Studies and Research, Laurentian University, Canada, E. Rivarola, Dipartimento di Chimica Inorganica, Universita di Palermo, Italy, D. Dakternieks, School of Chemical and Biological Sciences, Deakin University, Australia, R. Butcher, Department of Chemistry, Howard University, USA, and Dr. S. Choudhuri, Chittaranjan National Cancer Institute, Calcutta for extending invaluable scientific and academic co-operations.

The Senior Research fellowship of the Council of Scientific and Industrial Research (Grant No. 9/ 347 (130)/2000-EMR-I) is gratefully acknowledged.

I would wish to offer my special thanks to Dr. (Mrs.) Swarnali Basu Baul, Ms. Sushmita Dhar, Mr. Pradip Das, Manjit Bhattacharjee, Gurjinder Pal Singh and Ms. Mohua Das (friends and co-workers) for their constant encouragement and support.

Mr. Pankaj Das, Mr. K. Gunasheelan, Ms. Upasana Bora, Dr. Amrita Roy, Dr. Sanchita Dhar, Dr. Debora, Ms. Bhapimon Rynjah and all my friends whom I remember with affection. I also wish to express appreciation to Mrs. Rajama for helping me with the typing.

I owe a great deal of heartiest gratitude to my parents and my father-in-law for their blessing, encouragement and inspiration. Thanks to my brothers, sister Sagarika, brother-in-laws and sister-in-laws and relatives for their encouragement.

Last but not the least my heartfelt gratitude to my beloved husband for his understanding, encouragement, support and patience.

'GOD WHO HAS PROVIDED ME WITH POWER TO TAKE UP AND FINISH MY THESIS'
